PARENTAL CIRCULAR

Dear parents,

Greetings !

In our continuous attempt to improve the general health & well being of students we wish to inform you about '**De-worming**' program initiated by Government of India.

De-worming means giving a medicine (anthelmintic drug) to an individual to get rid of human parasites such as roundworm, flukes, tapeworm etc. Normally de-worming must be done once/twice in a year for each individual in every age group.

The De-worming Day is being observed on **10th September 2018** with the objective of de-worming children within the age group of 1-19 years. Under this program our students will be provided free medicine (for de-worming) at school. Kindly consult your family doctor to ensure that your child takes it in the prescribed manner.

Dear Parent

Greetings !!

OPJS, in the course of last two decades has been striving to set higher standards in quality education & we are keen on continuing with these efforts in the upcoming years as well. To realize this vision of ours, we have decided to organize special classes (280 minutes per week) for classes X, XI & XII in order to guide students in preparing for different national/state level competitive examinations viz-JEE, NEET, KVPY, CPT, CLAT, NTSE, VIGYAN PAHELI etc. Specific attention will be given by the teachers who are specialized in these fields.

Further, we would like to inform you that from the year 2019 National Testing Agency (NTA) has decided to conduct JEE (Mains) & NEET (UG) twice a year. In this regard, we strongly believe that this initiative will develop students' academic foundations & problem solving skills thereby, enabling them to perform better in the competitive world beyond school level.

We sincerely expect you to extend your cooperation & support.
