Respect Others

CLASS RULES POST DAY

Teachers of the pre primary wing prepared the classroom rules with the help of tiny toddlers. The main aim of preparing these rules was to maintain discipline and decorum of the class.

Learning Outcome: The children came to know about the classroom rules that they have to follow.

Raise your Hand

Stay in your Seat

Work as a Team

Clay Modeling Activity (Nur)

Clay Modeling is a great activity for kid's imaginations. Kids love forming their own shapes or joining clay together to form 3D objects. To encourage the imagination of little ones with clay play, clay modelling activity was organised in the nursery section.

Learning Outcome: Development of fine motor skill and imagination.

Health, Hygiene & Fitness Week (Nur-I)

A Healthy mind resides in a healthy body. With this motive we promote healthy habits in the children right from the beginning in order to strengthen their foundation of growth and development. To inculcate the habit of cleanliness among our little ones, health, hygiene and fitness week was planned in the pre primary wing.

Learning Outcome: Children came to know about the healthy eating habits, hygiene and fitness of the body.

Beat The Heat

To beat the heat in the scorching summer, the students of nursery were given a refreshing lemonade party. The objective of this activity was to develop sensory ability, get relief from the warm weather and cool down with a lemonade drink made with fresh lemon.

Learning outcome: Kids' sensory abilities were developed and children felt relieved and enjoyed the day.

Hand Wash Activity

During recess time, Hand Wash Activity was carried out for students of class Nursery, KG & Class I. The children were told about the rules and advantages of proper hand wash. This was done in the school wash room areas and liquid soap for the same was provided by the school. Children were taught proper ways and techniques to wash their hands. Demonstration by the teachers were given. They were also made to understand how they can be disease free by maintaining hygiene. This activity was conducted by Rita Mohan, class teacher of IIID on behalf of Health and Wellness club.

Fancy dress

O.P. Jindal School conducted the fancy dress competition for the children of class-I. The purpose of conducting the competition was not only blending learning with fun but also to develop confidence in the students by giving them an opportunity to speak in front on their own classmates.

Children were dressed in their colourful costumes and spoke a few sentences on the character that they depicted. They dressed up as our M.P. and U.P states. The competition proved to be great learning experience for the students and gave them platform to explore their hidden talents.

International Mother Earth Day

The pre - primary wing of O.P. Jindal School hosted various events in the honour of Earth Day. It was celebrated on 23rd April 2018. The events were intended to support environment awareness and provide information to students about ways to help and care for the planet. The main focus was to educate the students about small ways by which they are able to help and protect the planet both on and off the campus and encourage them to take those steps. A short movie was showcased for the students, which showed the various ways of making the environment clean and green, making the students aware about the concept of reuse, reduce and recycle. The students were given brainstorming session by their mother teachers who made them aware about the little things they can do to save and protect our mother earth, like they should give plants as a birthday gift to their friend, paper and jute bags should be used instead of plastic bags, solar energy to be used instead of electrical energy, lights and fans should be switched off when not in use and conservation of water. The children were also given a logo of Earth day which will remind them of the steps they have learnt in the school to save our mother earth.

Counselling Session in PPW

There was a stir and excitement in the PPW wing of the school on the day of counselling session. Parents conducted the sessions for the tiny tots on multifarious topics. They were extremely delighted to collaborate with the tiny tots. Some of the topics of interaction were health & hygiene, safety rules, good manners, healthy habits etc. The tiny tots were joyfully engaged in the session with great zeal. Excellent feedback on the school and the teaching and learning process in PPW was collected by the coordinator ma'am from the parents. She thanked the school authorities for giving an opportunity to promote the Esprit de corps between parents and the school.

Self-Awareness Week

A week was spent to teach the students of classes II & III to arrange their bag as per the time table and polish their shoes. A practical demonstration of above said activities was an interesting experience for the young students.

Learning outcome:
To make the students self reliant.

Handwriting Week

A week was devoted for teaching the proper curves and strokes while writing the alphabets to the students of classes II & III. They were assessed on the improvement which they could bring in their script after a week's training and the four best performers per section per class were appreciated by awarding them the 'Certificate of Appreciation'.

Learning outcome: Students learnt the appropriate technique of forming and joining the alphabets.

Shabdgyan Saptah

A lot of practice was given to the students to write words correctly, then their learning was tested through dictation. Four best students were given certificates of appreciation.

Learning Outcome: Students learnt the basic rules of writing Hindi words and to put correct "matras".

International Mother Earth Day

Junior Eco Club of Primary wing had organised International Mother Earth Day on 23.4.17. This special assembly started with the Morning prayer, News, Thought of the day, Poem, Speech & dance on the above topic. Green song was sung by Jr. Choir group of OPJS. The students were administered with the Green Pledge.

Informative presentation on Earth Day was shown by the Eco Club. The presentation was educative and age appropriate which emphasised on motivating the students with the useful do's and don'ts regarding Global Warming, Pollution, Conservation of natural resources, importance of going green and the concept of three R's- Reduce, Reuse, Recycle.

Medals and certificates were awarded to the achievers of NSO, iOEL & NCO of the session 2017-18.

Principal sir congratulated the award winners and gave his valuable message to the students and concluded the entire event with National Anthem.

The Interhouse Calligraphy competition was held on 17.04.17 for the students of classes IV & V. Students put in their best efforts to write the prescribed text in beautiful script. The best three entries were adjudged for first, second and third and two consolation prizes. With this activity, students could understand the impact and importance of handwriting in their life.

Hindi Poetry Recitation Week

Students of classes II & III were made to recite poems other than those prescribed in the syllabus. Four best performances per section per class were awarded with 'Certificate of Appreciation'.

Learning outcome: Students learnt to recite poems with proper intonation and rhythm.

Know Your Earth

To bring awareness about the Earth into the young minds, an activity was conducted by the EVS teachers. Children came to know about the blue planet in much more detail.

Learning Outcome: Students were sensitized towards the environment and the ways to protect it.

Reading Week

To inculcate the love for reading, a week was spent in reading the books of their choice.

Learning Outcome: Students got inspired to read regularly and to continue this as a habit or hobby.

English Poetry Recitation Week

Students of classes II & III enjoyed the rhyming poems presented by themselves on various topics, other than those prescribed in the text.

Learning Outcome: Students learnt to recite poems with proper rhythm, intonation and correct pronunciation.

Hindi Story Telling Week

Students learnt and presented moral based Hindi stories in their respective classes.

Learning Outcome : Students of classes II & III built confidence while speaking in front of their classmates. They were taught to tell the stories with a lot of expressions. Some values could be inculcated in them as every story contained some moral.

World Environment Day

Eco club of Junior wing, OPJS took the initiative to bring awareness about the environment and to promote team work amongst the teacher.

A Paper Bag Making Activity was organised to spread the message of avoiding the single use plastic bags.

Welcoming the Session

A special assembly was organised to welcome the students to the new session and to explain the rules and regulations of the school. Students were instructed to abide by the rules written in the school almanac.

Special Assembly

A floral tribute was offered to pay homage to the founder father of the school rev. Shri O.P. Jindal. A documentary was shown on his life and speeches were delivered on his great contribution towards the upliftment of the society.

Book Mark Making Activity

To revive the dying habit of reading and to inculcate and encourage the reading habit amongst the students 'Book Mark Making' Activity was conducted for the students of classes II – V.

Learning outcome: Students came to know about the book mark and its usage. Children got a chance to explore their creativity. We tried to inculcate the habit and love for reading.

Inter-House English Calligraphy Competition

Students of classes IV & V wrote the prescribed text in beautiful handwriting in this Inter-House English Calligraphy Competition. The best written scripts made their way to achieve first, second, third and consolation prizes.

Learning outcome: Overall improvement in students' handwriting was seen.

Learning outcome: To identify the skills acquired and to provide the students an opportunity to explore the talent.

Middle & Senior Wing

NSTSE Examination

NSTSE (National Level Science Talent Search Examination) – 2018 held on 4th February 2018 conducted by Unified Council. Archana Shankar, student of class-6th bagged the 1st Rank in Chhattisgarh.

NSTSE is recognized as India's popular Science Talent Search Examination, which has been very well accepted as a programme of merit. The NSTSE is conducted for the students of classes I to XII. Students from every school following CBSE, ICSE and various states can participate in the examination.

World Health Day

World Health Day held on 7th of April every year is a campaign globally recognized by the World Health Organization (WHO). A **special assembly programme** was organized at our school by **Jr. Red Cross Society** in collaboration with **Health & Wellness Club** for students in classes VIII, IX & X to observe **World Health Day 2018**.

This was followed by a **health counselling** session which was conducted by our honourable Principal **Mr. R.K Trivedi**.

The following points were discussed during this health session:

- Importance of consuming natural fruits & vegetables
- Necessity of monitoring the haemoglobin percentage on a yearly basis (especially for girl students)
- Health hazards associated with consumption of packed food items ,juices etc
- Importance of regular exercise/playing outdoor games for managing weight
- Adopting a healthy life style

English Debate Competition

English debate compt. was held for classes 9 & 10 on 13th April 2018. The topic for the debate compt. was "Change in syllabus adds to the quality of education". The students representing

different houses took part enthusiastically and put forth their views for and against the topic. It turned out to be a very interesting and learning session for all the listeners too. Divija Ray Chaudhury, class 9A of Tagore house spoke against the topic and scored first position. Meera Pooja Gangrade, class 9A of Raman house bagged the second position, putting her views against the topic. While talking for the topic Ch. Pragya, class 9E of Nehru house and Dhanraj Rateria, 9E of Sarojini house bagged 1st & 2nd position respectively.

World Entrepreneurship Day

On 16th 2018, World Entrepreneurship day was observed by O.P. Jindal School Raigarh. The Dept. of Commerce in collaboration with UNESCO Club presented an informative and motivational show in the auditorium on this occasion. The program was planned to make the students aware about the ground realities of entrepreneurs. A PPT was presented focussing on the need and developments of programs like **Make in India** and the start up for the development of the Indian Economy. A skit was presented on the life of Ms. Kalpana Saroj, a renowned Entrepreneur. The skit narrated the struggle and the challenges of her life to become a successful entrepreneur by her managerial skills and talent. At the end the gathering was addressed by honourable Principal, highlighting the development of skill and talent among the younger generations. He focussed on the responsibilities of business entrepreneurs towards society and dire need of ethics in business.

English Elocution Competition

The English Elocution Competition for classes 6 to 8 was held on 21st April 2018. The topics for the elocution competition were, “India of My Dreams” and “Reading maketh a Man”. Many students were auditioned for the competition from each of the houses and the teachers had a tough time selecting the finalists, as each one of them spoke extremely well. After short listing the names of the students for the competition, the students practiced regularly under the guidance of the respective English teachers. Regular oral drilling was taken by the teachers as the students had to speak within a stipulated time of two minutes.

Finally the awaited day arrived and the finalists were full of confidence and excitement. Each student thrilled the audience with his/her well versed composition. At the end our Respected Principal Sir gave a motivating speech and also announced the names of the winners. The 3rd position was grabbed by Saanvi Sonar of class 7G who represented Nehru House. There was a tie between Koshi Mishra of class 6G representing Azad House and Ahona Kolay of class 6D representing Raman House, who jointly occupied the 2nd position. The 1st position was championed by Angela Sunil of class 6D representing Sarojini House. The competition was really fruitful as it helped to boost up the metacognitive skills of our students.

International Mother Earth Day

The pre - primary wing of O.P. Jindal School hosted various events in the honour of Earth Day, which was celebrated on 23rd April 2018. The events were intended to support environment awareness and provide information to students about ways to help and care for the planet. The main focus was to educate the students about small ways by which they are able to help and protect the planet both on and off the campus and encourage them to take those steps. A short movie was forecasted for the students which showed the various ways of making the environment clean and green, making the students aware about the concept of reuse, reduce and recycle. The students were given brainstorming session by their mother teachers which made them aware about what little things they can do to save and protect our mother earth, like they should give plants as a birthday gift to their friend, paper and jute bags should be used instead of plastic bag, using solar energy instead of electrical energy, lights and fans should be switched off when not in use and conservation of water. The children were also given a logo of Earth day which will remind them of the steps they have learnt in the school to save our mother earth.

Earth day was enthusiastically celebrated within the premises by the students of classes VI with their thought, news, speeches, poems and a dance. Activities were held to make everyone more sensitive towards our Mother Earth. The assembly was conducted twice, once for VI-VIII and next for IX-X.

International Day of Yoga

O.P. Jindal School celebrated International Yoga Day by organizing a special yoga session in which the students and teachers along with the Principal performed various 'asanas'. The main aim was to raise awareness and ignite a passion for fitness and yoga among the students. In the present day when students face stress, tension, fear, etc., simple asanas can help dispel these.

Yoga teachers & Students were taught various asanas such as Tadasana, Shashakasana, Bhujangasana, Titlasan, Ardachakrasana, Vajrasana, Uttanpadasana, Pawanmuktasana, Swasasana Nadi Shodhan, Kapal Bhati and Bhramari, Anulom Vilom and Shitali Pranayam.

Yoga teacher Ms. Manju Singhaniya said that Yoga provides mental and physical strength to people. It enables us to live a healthy life. Thus, he urged the children to practice Yoga which will help create overall harmony of body and mind.

The Principal R. K. Trivedi said "Yoga is essential for inner and physical growth. It enhances the mental and physical well-being." He also motivated the students to make Yoga an important part of their daily routine to stay fit and healthy.

Raman & Ramanujan House Function

The students of Raman-Ramanujan House rocked the stage with their colourful and thrilling House Presentation, 'Me'lange-Colours of life' held on 30th June 2018 in the school auditorium. The joint venture reflected the mystical aura of Indian culture and mesmerized the audience. The programme commenced with the symbolic lighting of the lamp ceremony by the Parent-Guest of Honour Mr. Jitendra Singh, Income Tax Officer, Raigarh and Dr. Mrs. Pooja Gangrade, Prof. & HOD., Anatomy, Medical Collage, Raigarh along with the Principal and the House Wardens. In his welcome address, Mr. R.K. Trivedi, the Principal said, "National character building starts at the school level". He also sought the parents' support in giving the children the best future. The amalgamation of various cultural items uplifted the spirit, exalted the mood and enthralled the audience. The classical dance 'Shivoham' was the highlight of the day. 'Vasundhara-paradise on earth' brought rustic aroma into the senses of the audiences. 'Mish-Mash' a graceful dance performance with a combination of classical dance Bharatnatyam, Mohiniyattam and the Caribbean dance Salsa stole the hearts of the audience. 'Tabir' – a colourful dance performance highlighted the creative adaptation of the community of the snake charmers of Rajasthan. 'As You Like It'- the English Play was a realistic depiction of Shakespeare's finest comedy and adventurous tale. The 'Slimnastic' dance was the most thrilling dance that left everyone's feet tapping on the ground. Emotions were high when the Hindi skit 'The Pledge' was enacted by the students. With its perfect synchronization, the fashion show 'Me'lange' was a feast to the eyes. In his inspiring speech, the Chief Guest emphasized on the importance of setting a goal to achieve success in life. Mr. M. Ganesh, the House Warden of Ramanujan House presented the annual report focussing on the achievements of her House. The whole programme was brilliantly coordinated by Keshav, Vedant, Eshika, Simran, Preksha, Jahnavi, Meera and Rishabh. Mrs. Niharika Sahu, the Asst. House Warden, Ramanujan house proposed the vote of thanks.

Sanskrit Shloka Recitation
