## From the desk of the Principal

**Dear Students/Parents,**

“Education is the most powerful weapon you can use to change the world (Nelson Mandela).” Education is the greatest healer in the world. The right kind of education makes a big difference in life. It broadens our mental horizon, empowers and makes us humane. It sharpens our intellect, power of reasoning and boosts us to set and achieve new goals in life. Education paves the way to success and provides the opportunities to excel in life. Education gives meaning and aim to life. Without education, life will become aimless and meaningless. Education gives us self respect and makes us respected in the society. Education is like the lighthouse. It takes us out of the darkness and shows us right path and brightens our future. It makes us independent and self-reliant. It helps us to learn the skills required for any job or to join any sector. We learn ethics, morals and social values with education. It broadens our mental horizon to filter elements of pride, jealousy, hatred, malice and all moral evils are shunned when equipped with sound education. Right kind of education is the backbone of social and economic growth. Historical changes can be brought with the power of knowledge.

In today's context, the role of a school is manifold. Its relevance was felt more during this pandemic time which changed the perception of the world. It is therefore imperative that we keep on learning and growing in life. The educational opportunities are limitless today. OPJS-Raigarh always endeavours to provide a life changing educational experience to our learners and equip them with the power of 21<sup>st</sup> century skills to be the trend setters tomorrow.

We continue being the torch bearers for you...

Best wishes!

**R. K. Trivedi**  
**Principal**

# WORLD HEALTH DAY-2021

"The greatest wealth is health." As the world celebrates World Health Day 2021, on 7<sup>th</sup> April, with the theme 'Building a fairer, healthier world for everyone', OPJS-Raigarh took this opportunity to create awareness in this regard specially in a challenging time like Covid-19 phase. We urged everyone to take care of their health and remain safe. Let us display our responsible behaviour and stay at home. The students of Primary Wing of our school tried to spread awareness by designing thoughtful posters on this occasion. Let us stay healthy and stay safe. We also invited everyone to share a picture of their own on social media with the hash tag #HealthyLivingChallenge2021.

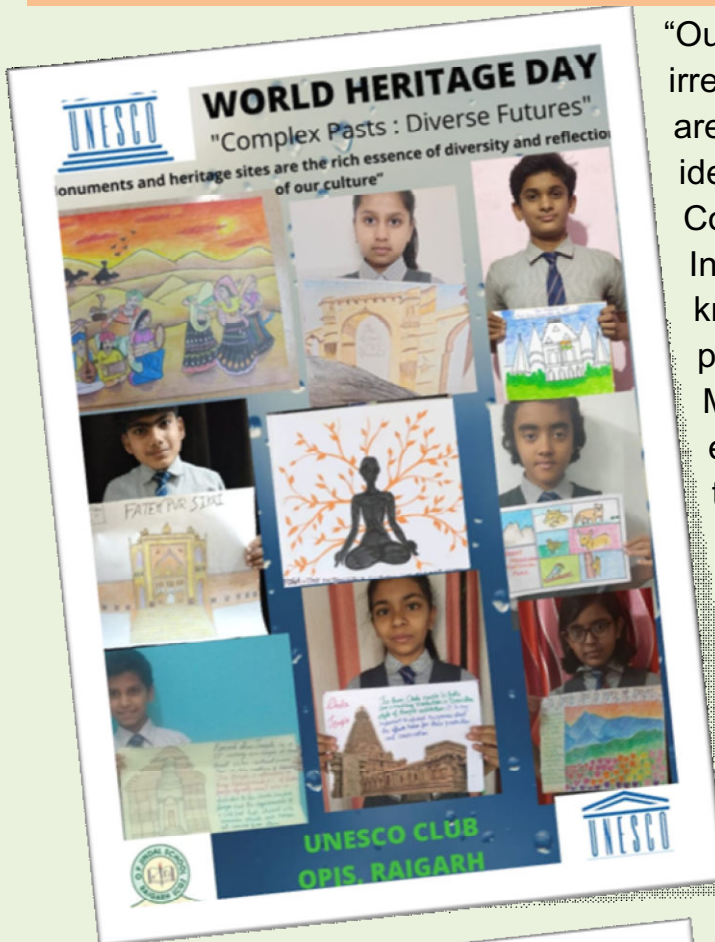

## WORLD ART DAY-2021

Art has always been a powerful medium of expression and exploring emotions. A picture is worth a thousand words and emotions. World Art Day, a UNESCO dedicated day is observed on 15th April to honour and mark the birthday of the greatest artists of all time, Leonardo Da Vinci. World Art Day assumes great importance amid the pandemic as it helps one to cope with stress especially at a time when people of all age groups are forced to lead an isolated life. OPJS celebrated World Art Day with lots of vibrant colours that expressed the different moods of our students on various themes. Students of classes IV to XII took part in this event along with their Art Teachers.

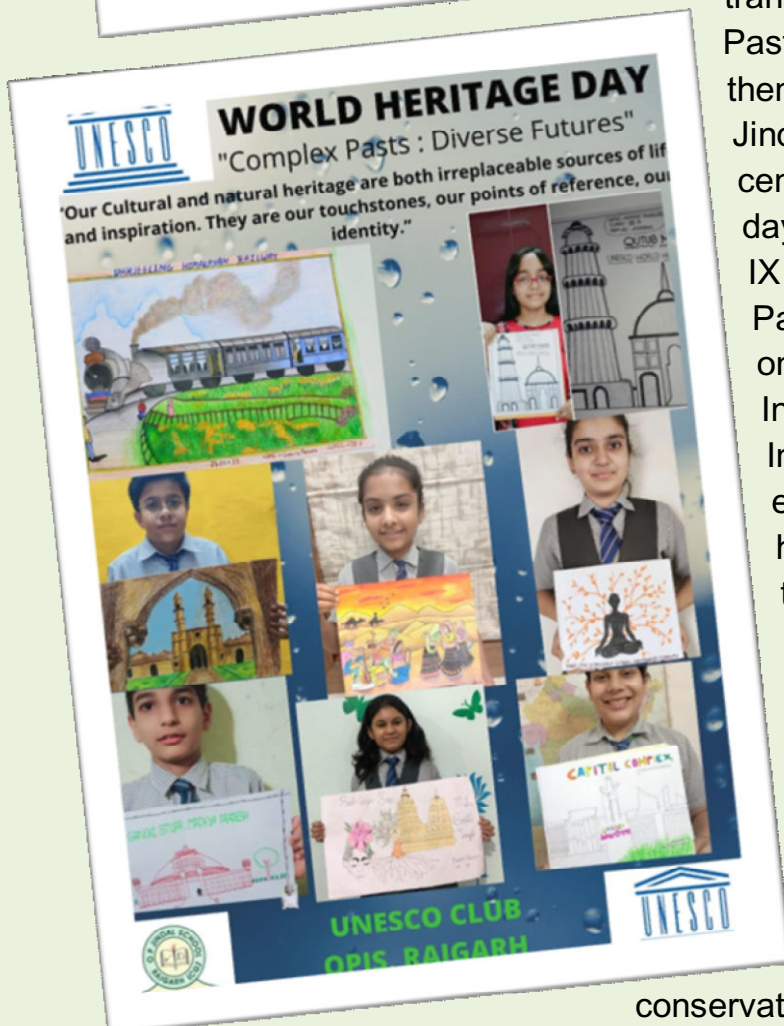

## WORLD HERITAGE DAY-2021

"Our cultural and natural heritages are both irreplaceable sources of life and inspiration. They are our touchstones, our points of reference, our identity. "In 1982, UNESCO's General Conference established 18th April as the International Day for Monuments and Sites, also known as World Heritage Day. The day is promoted by ICOMOS (International Council for Monuments and Sites) globally, with an aim to encourage local communities and individuals throughout the world to consider the importance of cultural heritage to their lives, identities and communities, and to promote awareness of its diversity and vulnerability and the efforts required to protect and conserve it. Together with ICOMOS, the UNESCO World Heritage Centre supports inclusive and diverse points of view in heritage identification, conservation and transmission to future generations. "Complex Pasts: Diverse Futures" is the UNESCO theme of 2021. The UNESCO Club of O.P. Jindal School, Raigarh organized a child-centric event under this theme to observe this day. The selected students of Classes VII to IX participated in the project titled "Complex Pasts: Diverse Futures", where they worked on the 38 World Heritage Sites and 13 Intangible Cultural Heritage Element of India, recognized by UNESCO. They expressed their love and respect to the historical, cultural and natural heritage through various Art forms. They also voiced their concern regarding the rules of behaviour and ethics to care for, to keep clean, to preserve and protect the heritage. Presently, India has the sixth largest number of Heritage sites in the world. This day invites all of us to reflect on, interpret and review our attitude and role on recognition, respect and conservation of our diverse treasure of heritage.

# EARTH DAY 2021

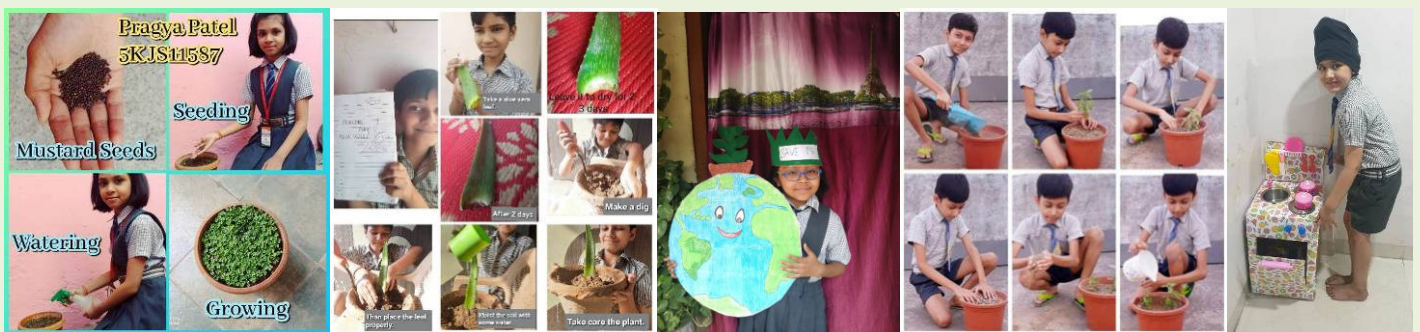

## #Restore Our Earth

Today, Mother Earth is clearly urging a call to action. Nature is suffering. Oceans are filling with plastic and turning more acidic. Extreme heat, wildfires and floods, as well as a record-breaking Atlantic hurricane season, have affected millions of people. Now we face COVID-19, a worldwide health pandemic linked to the health of our ecosystem. Climate change is a matter of big concern too. Eco-systems support all life on Earth. The healthier our ecosystems are, the healthier the planet - and its people. Restoring our damaged ecosystems will help to end poverty, combat climate change and prevent mass extinction. But we will only succeed if everyone plays a part. Let's remind more than ever in this International Mother Earth Day that we need a shift to a more sustainable economy that works for both people and the planet. Let's promote harmony with nature and the Earth. Let's join the global movement to restore our world! OPJS-Raigarh celebrated the mega Earth Day 2021 with a commitment towards creating awareness in this regard among our young student community. Around 2400 students actively took part in this year's earth day celebration initiated by our school's Eco Club. Mr. R. K. Trivedi, our Principal appreciated the efforts of the students for spreading awareness in this regard.

**OPJS Primary Wing** - On the occasion of Earth Day, an international event celebrated around the world to pledge support for environmental protection, the students of Primary Wing of our school were also not left behind. The year 2021 marks the 51st anniversary of the annual celebrations. The theme also focuses on natural processes, emerging green technologies, and innovative thinking that can restore the world's eco-systems. Our students actively took part in various activities like making paper bags, making best out of waste, awareness posters and restoring the greenery of the surroundings using varieties of propagation methods.

**OPJS Pre-Primary Wing** - "The earth does not belong to us, we belong to the earth". This is well explained by our tiny toys of Pre-Primary Wing, who celebrated the International Earth Day, today on 22nd April 2021. Our little ones performed various activities to protect the planet from pollution, deforestation, saving water and other natural resources. They also tried to convey the message through their small acts like plantation, feeding animals, making paper bag, picking litter, preparing and drawing model of earth.

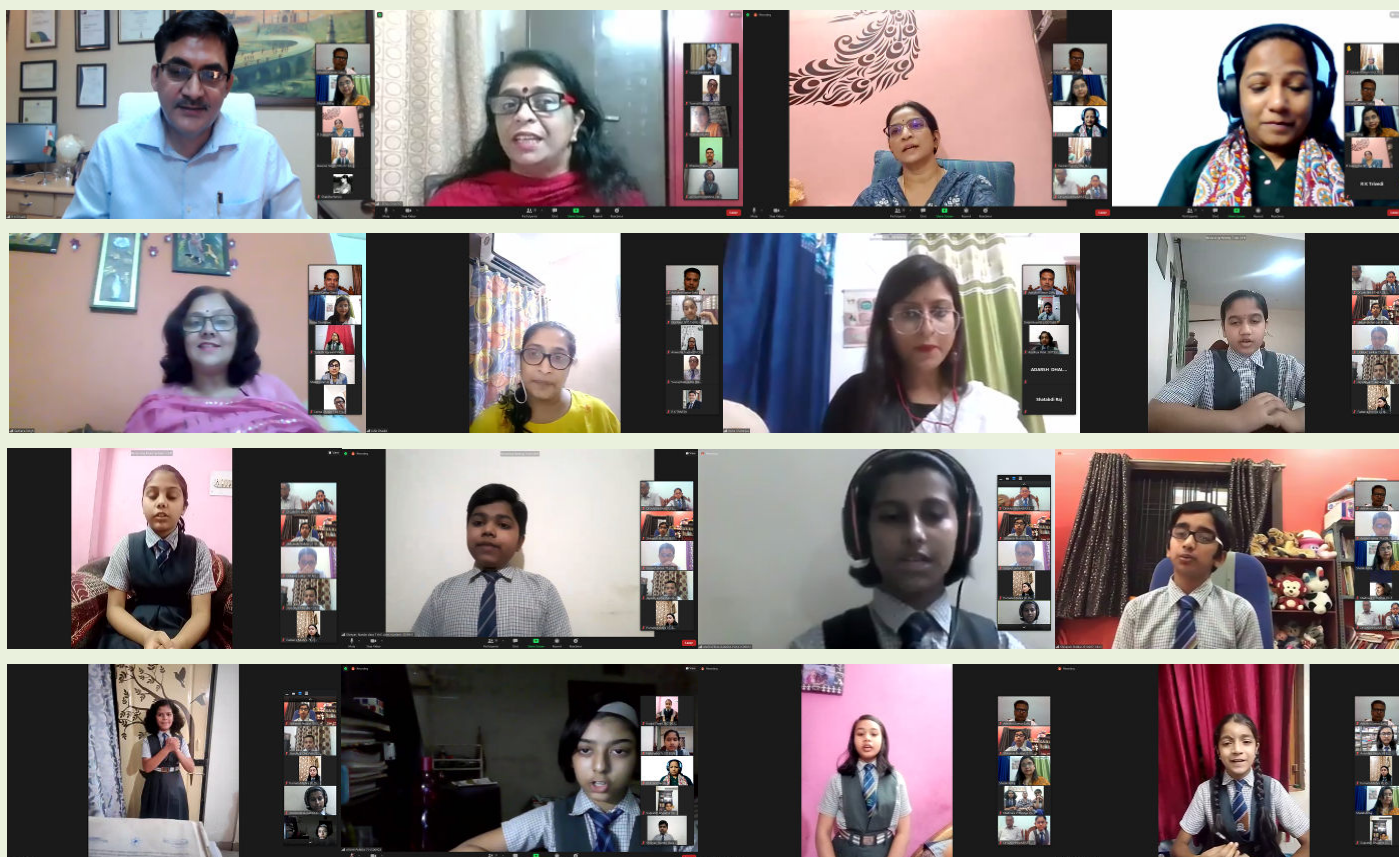

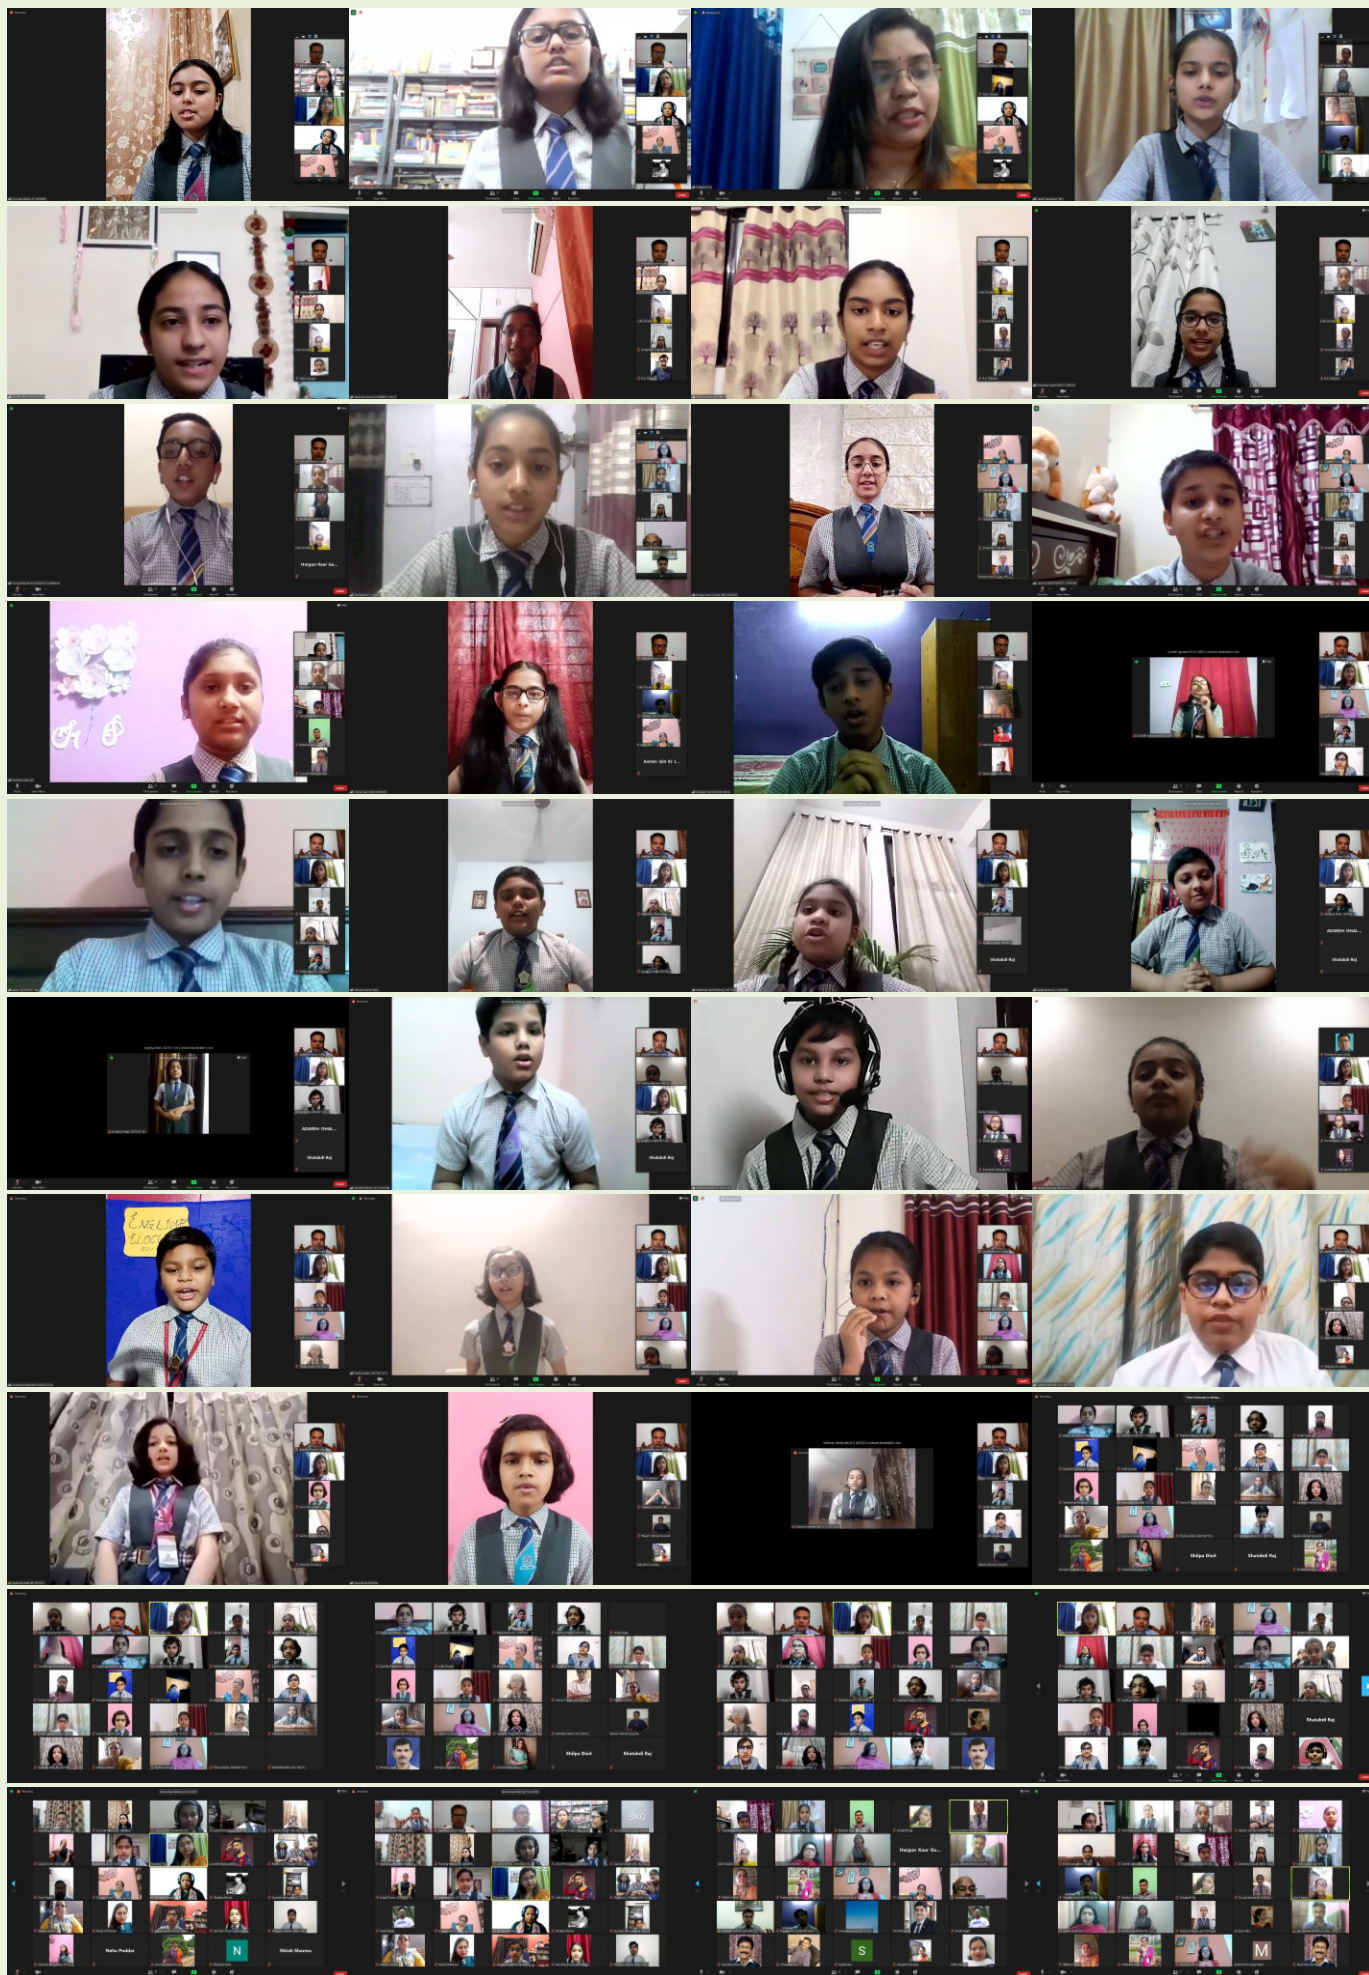

## ENGLISH ELOCUTION COMPETITION

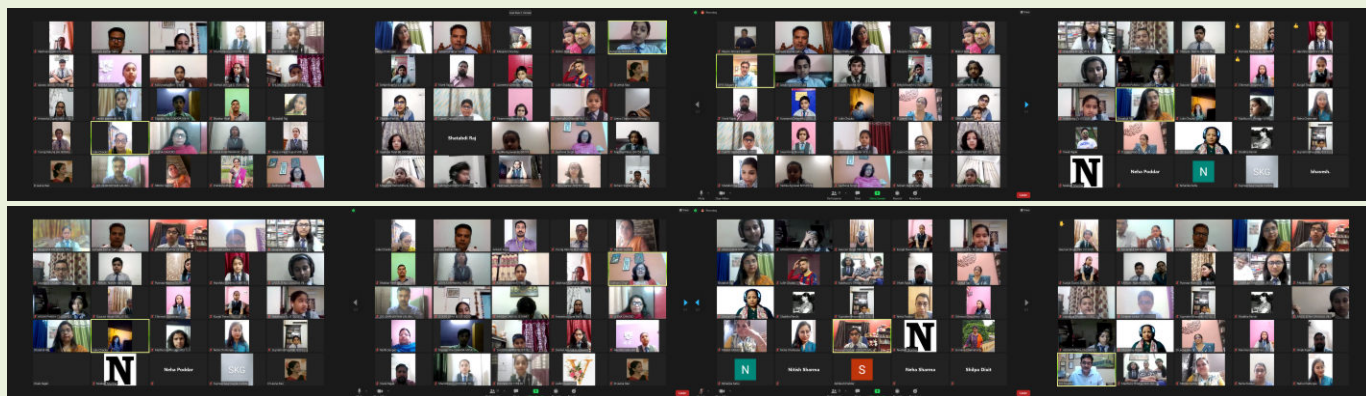

Elocution not only helps children develop better communication skills, but it also helps them develop confidence and the ability to express themselves fearlessly and shed off inhibitions. Children also learn to be good orators. Keeping this in mind, the “English Elocution Competitions” for the students of classes VI-VIII were organised online from 23rd to 25th April, 2021. Our students brilliantly expressed their opinions on different topics. A total of 186 students from these classes took part in the selection round. Out of them, 47 students were selected for the final round. Finally 17 students have been declared winners. Mr. R. K. Trivedi, our Principal motivated the participants to cultivate good oratory skills. He appreciated the efforts of the students and teachers to make these initiatives successful.

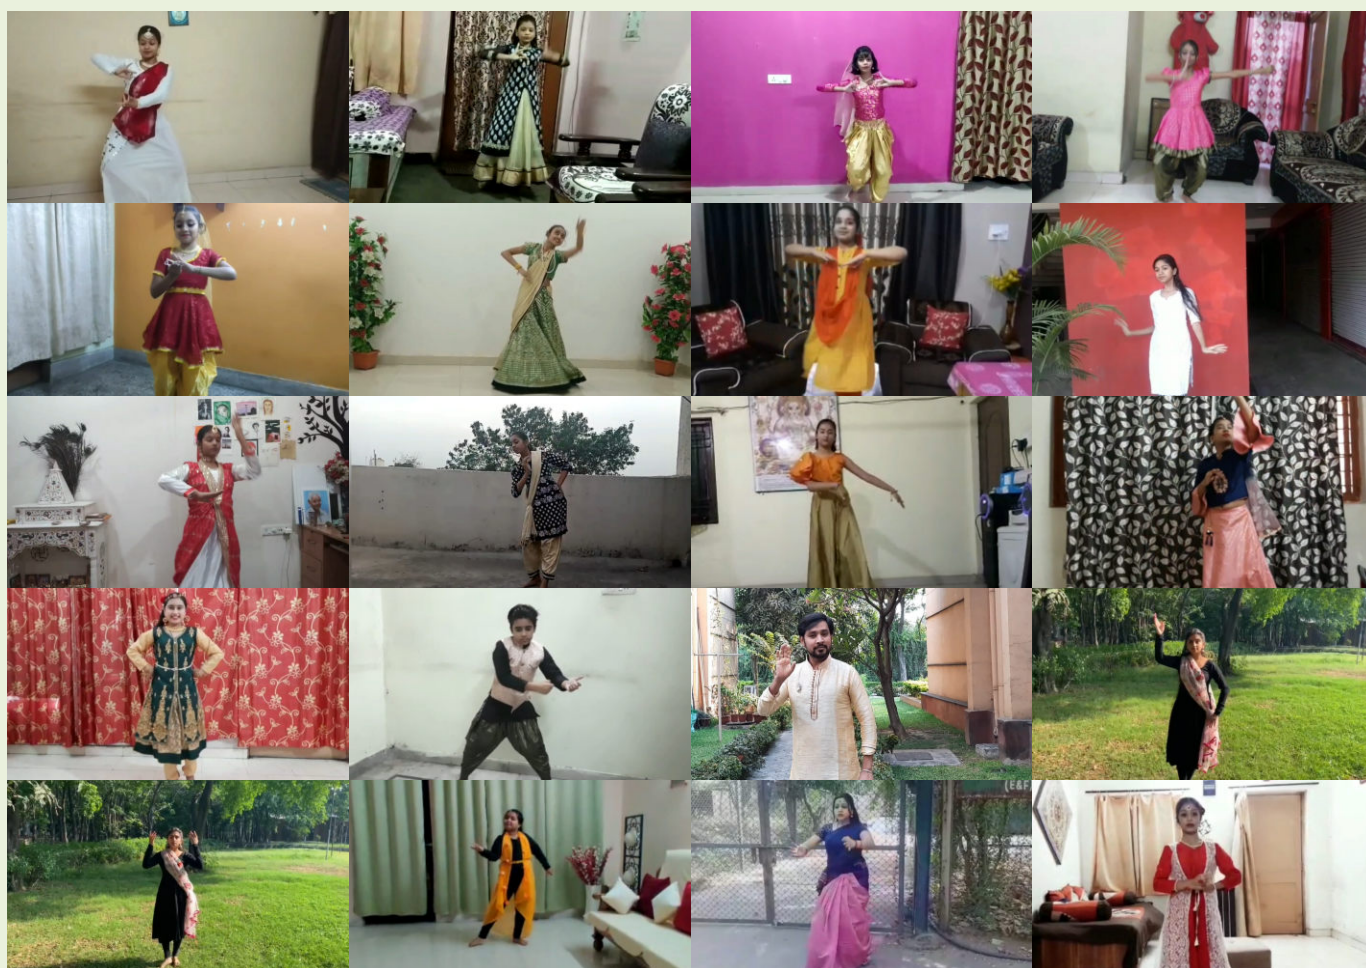

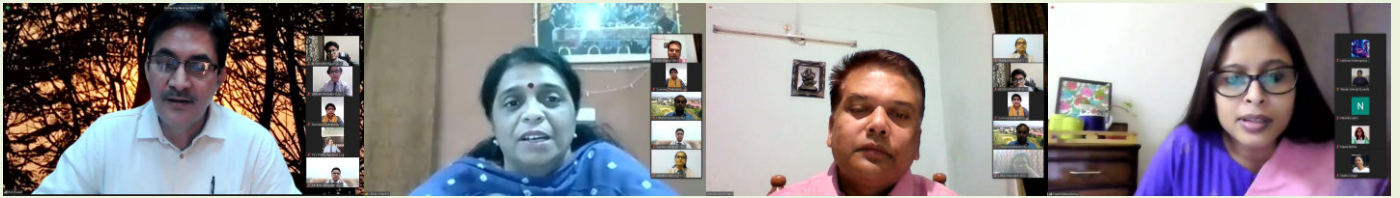

## INTERNATIONAL DANCE DAY-2021

International Dance Day is a global celebration of dance that was created by the main partner for the performing arts of UNESCO; the Dance Committee of the International Theatre Institute (ITI). The day is celebrated annually on 29th April, which happens to be the birth anniversary of Jean-Georges Noverre, the creator of modern ballet. The day aims to encourage participation and education in dance through events and festivals that are held all over the world. Dancers, researchers and therapists across the world are increasingly encouraging people to engage in hobbies and any form of physical activity, to counter the mental fatigue during the pandemic. On International Dance Day, it's time to help each other battle the isolation and loneliness amid the raging corona virus pandemic. International Dance Day was a great opportunity to spread the awareness and help people become more resilient when faced with the mental or emotional challenges amid Covid-19 by our students and staff members.

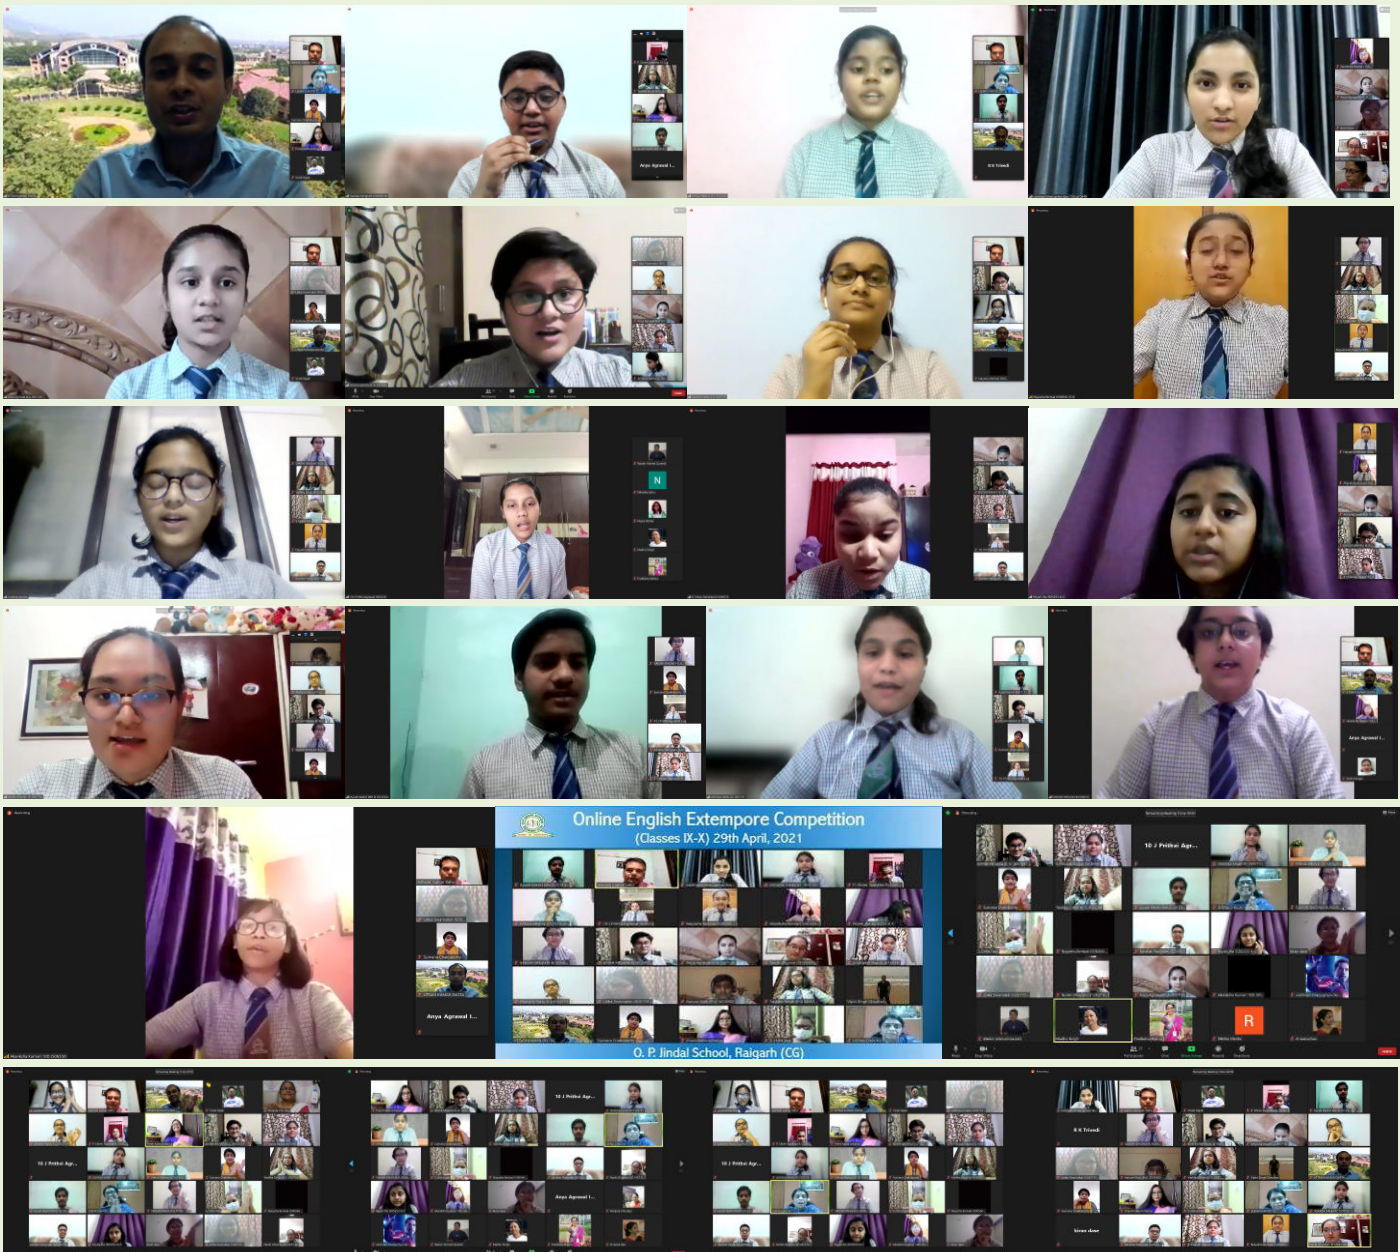

## ENGLISH EXTEMPORE COMPETITION

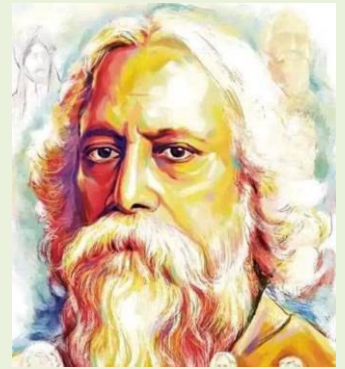

An extempore is an impromptu speech where the participants are required to be fluent, erudite and articulate. Extempore enables the student to think out of the box on a given topic without much preparation. It is a great platform to develop communication skills and time management. It pushes one to conceive and generate ideas quickly and present fluently. It is one of the best ways to develop your language skills and critical thinking. The English Extempore Competition for classes IX and X was held on 29<sup>th</sup> April, 2021 in online mode by our school. 20 selected students from these classes participated and expressed their eloquent views on different topics. Addressing the participants on this occasion, Mr. R. K. Trivedi, Our Principal spoke about the importance of public speaking. He asked them to have wider perspectives on contemporary issues and be eloquent speakers.

## RABINDRANATH TAGORE - 160TH BIRTH ANNIVERSARY

"Where the mind is without fear & the head is held high". OPJS-Raigarh paid humble tributes to the legendary poet, iconic writer & Noble Laureate Gurudev Rabindranath Tagore on his 160<sup>th</sup> birth anniversary. The composer of our National Anthem will always be remembered for his immense contribution to Indian literature. As a humanist thinker, poet & writer, he espoused the cause of human freedom. His vision & thoughts continue to inspire people across the world. Our students and teachers paid rich tributes to this great son of the soil in the form a video presentation.

## MOTHER'S DAY 2021

It is rightly said "God could not be everywhere, and therefore he made mothers". They are angels, the beautiful creation of God who keeps showering their unconditional love and support on their children throughout their lives. Mother's love is bliss in life. While a single day is not enough to show gratitude to a mother, our little ones of PPW celebrated the Mother's Day to honour and pay tributes to them through various activities like crown making and preparing greeting cards etc. Here are the glimpses of various activities performed by our kids of Pre-Primary Wing on the occasion of Mother's Day.

*Happy Mother's Day*

*Happy Mother's Day*

## WORLD MILK DAY-2021

### #Enjoy Dairy

“World Milk Day” is an international day established by the Food and Agriculture Organization (FAO) of the United Nations to recognise the importance of milk as a global food and to celebrate the dairy sector. It is observed on 1st June every year. In today’s context, we value milk and dairy products with regards to our health and nutrition. We also value the contribution of dairy farmers and other people involved in this area for their commitment to feeding our communities. India is one of the largest producers of milk in the world. The students of Primary Wing of our school enthusiastically participated on this occasion and conveyed the importance of milk products in our everyday lives. They also took this opportunity to thank the milkmen coming to their houses by giving them thank you cards, distributing masks and sanitisers and asking them to stay safe.

Our tiny tots of our Pre-Primary Wing also participated in “drinking milk activities” that aim to spread more awareness about the significance of the day including milk and dairy products in the everyday diet.

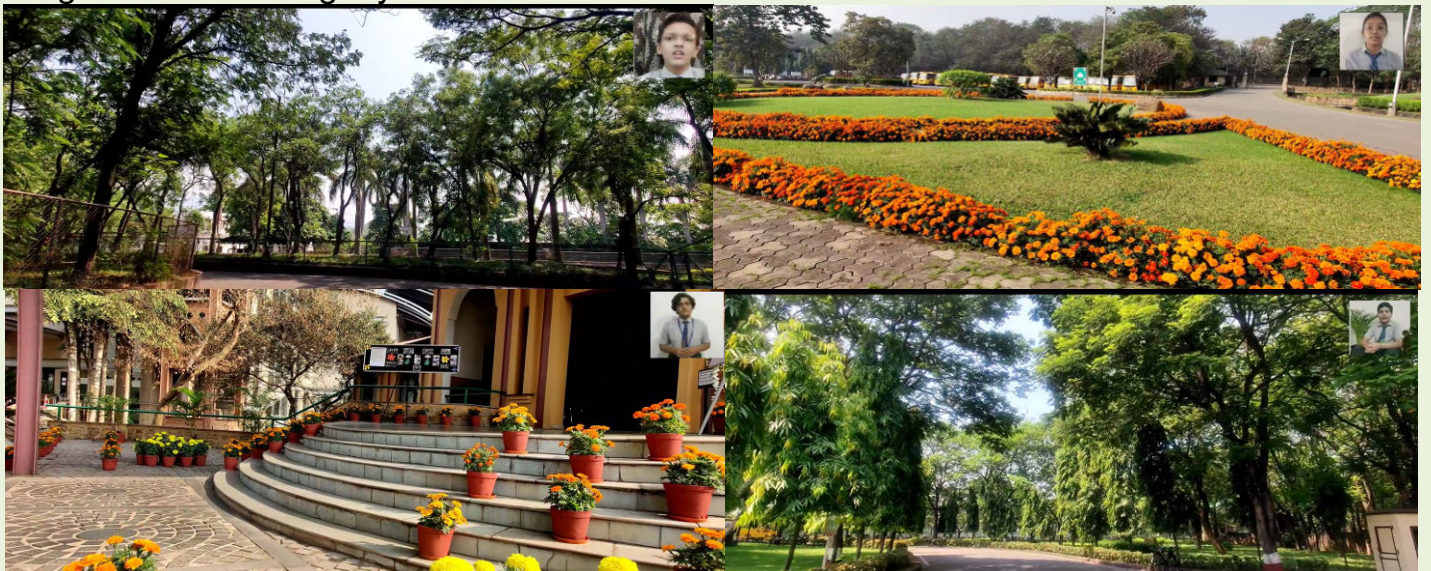

## WORLD ENVIRONMENT DAY-2021

#Generation Restoration

World Environment Day is one of the biggest annual events organised by the United Nations to generate awareness about the significance of nature and greenery. The main idea behind celebrating World Environment Day is to highlight the importance of the environment and to remind people that nature should not be taken for granted. It is celebrated across the globe to respect and acknowledge everything that the environment has given us and to take the pledge that we will protect it. OPJS-Raigarh is an aesthetically developed campus with lot of greenery all around. Nestled in a lush green picturesque surrounding, it unfolds an amazing view. Our clean and green campus is awe inspiring. On this day; we reaffirm our commitments towards a better and greener environment and pledge to restore the glory of our Mother Earth...

**OPJS Pre-Primary Wing (#Reimagine, Recreate, Restore)** - OPJS always tries to instil a sense of belongings to Mother Nature. Our young learners of Pre-Primary Wing take this opportunity to create awareness and spread the message further through their thoughtful acts. On the occasion of World Environment Day, they expressed their gratitude to the people involved in keeping our environments clean and green. They also prepared paper bags at home and distributed in the nearby shops following all Covid norms. Our Principal, Mr. R. K. Trivedi has appreciated the efforts of all the kids and their parents.

**OPJS Pre-Primary Wing** - The excessive and indiscriminate use of various types of natural resources is spoiling our healthy environment day by day. We can save our environment by practising three Rs: Reduce, Recycle and Reuse. It is the only way to save the environment from getting deteriorated. The students of Primary Wing of our school adopted this sustainable way in making different creative works during their summer break time. We appreciate the efforts of our young students.

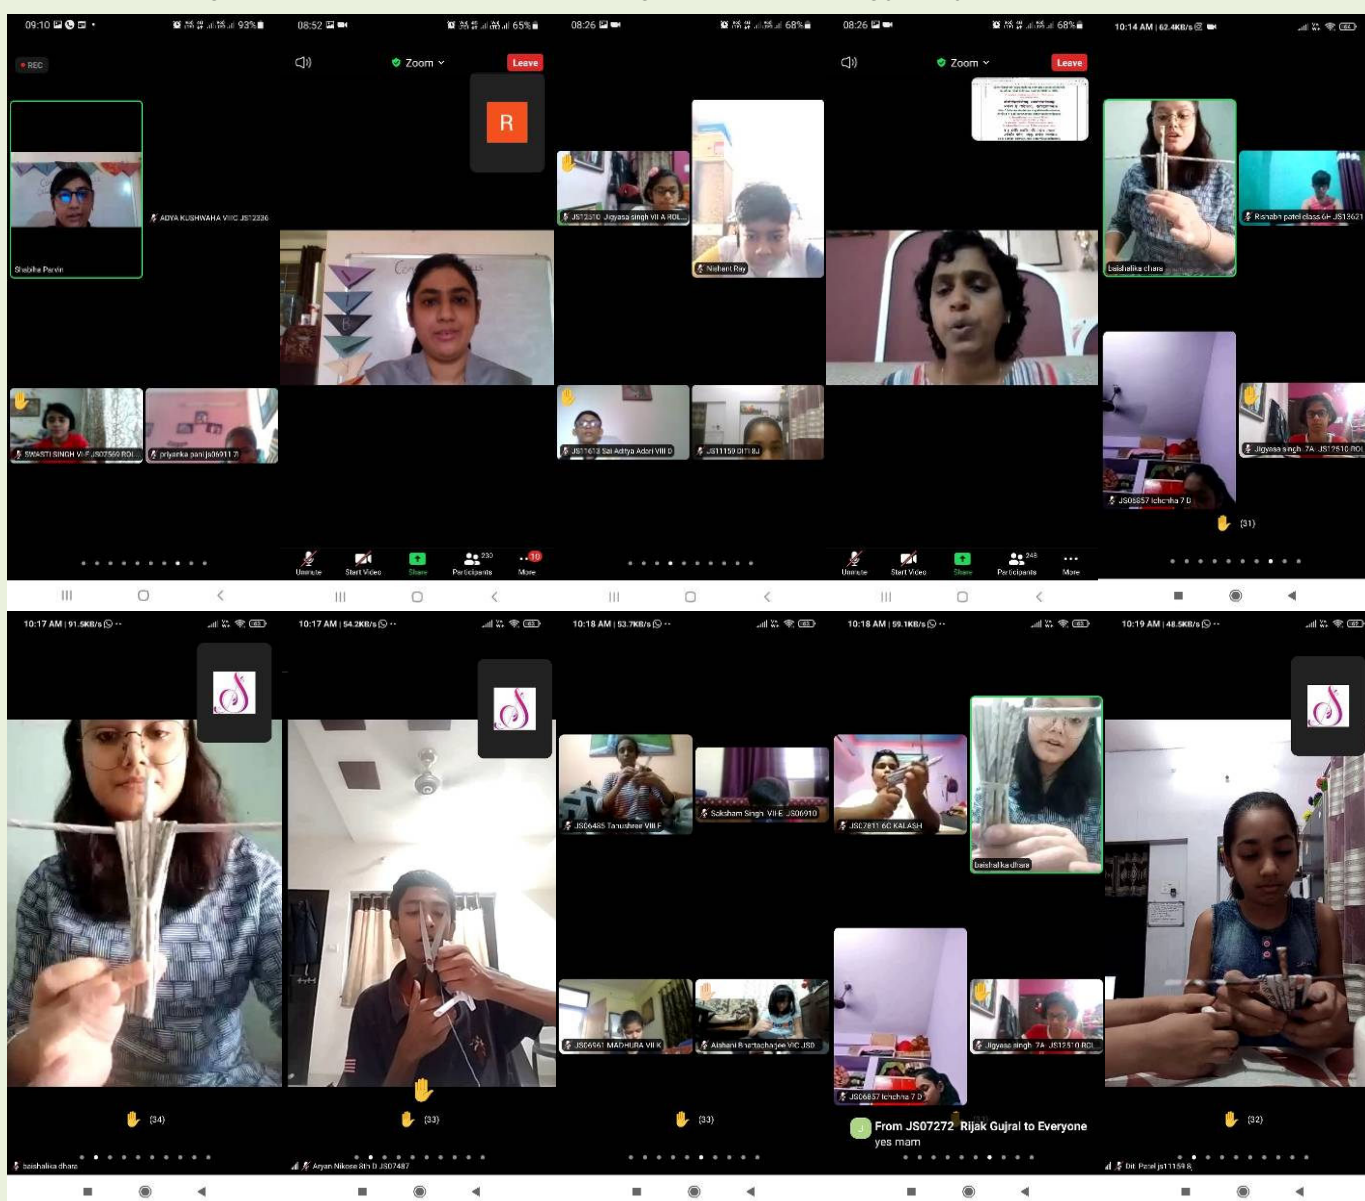

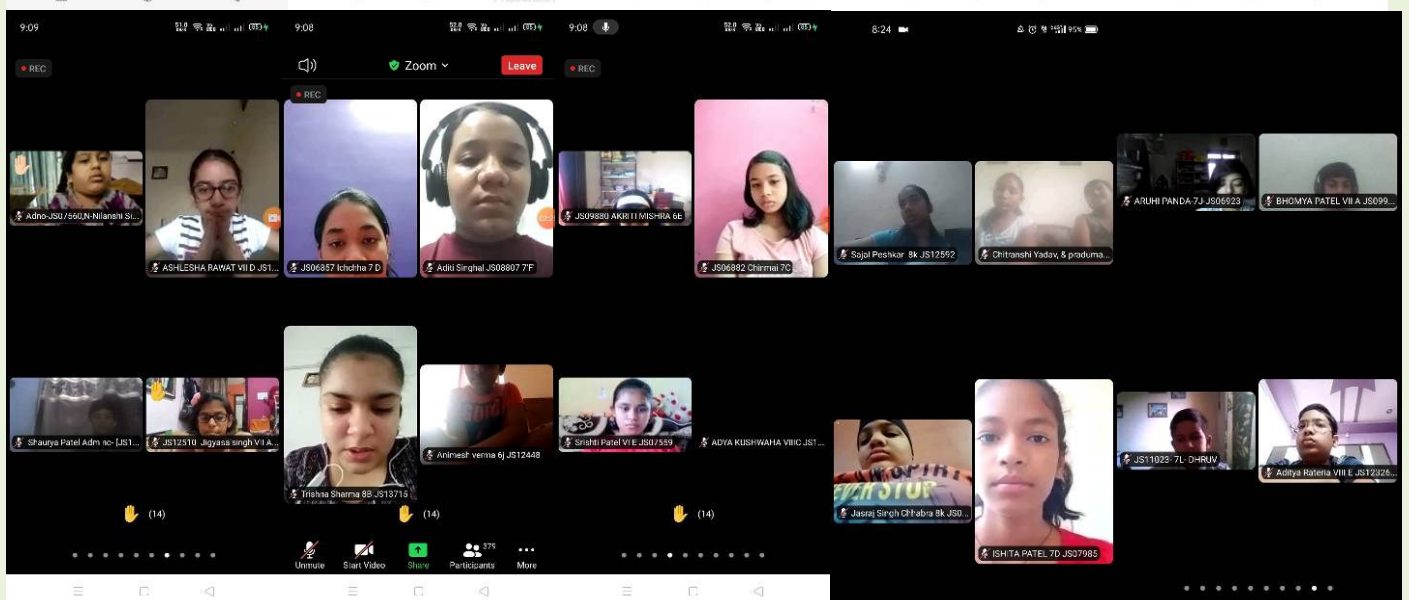

## VIRTUAL SUMMER CAMP-2021

A fun filled “Virtual Summer Camp” was organised for the students of Classes II-VIII of our school from 28th May to 10<sup>th</sup> June, 2021. The idea of conducting the same was to ignite the inquisitive minds of the enthusiastic and interested learners. OPJS-Raigarh always strives for creating a congenial and stimulating environment for our students. We believe in thoughtfully engaging them in different creative activities from time to time. In a challenging time like today, this assumes a lot of significance. The need of the hour is keeping the morale of the students uplifted and high. Such events also boost up the confidence of our young learners. The plethora of different creative activities included Art, Yoga, Aerobics, Dance, Music, Vedic Mathematics, Shloka Chanting, Culinary Skills, Communication Skills, Life Skill Activities, Gardening, Science Buddies, Paper Works, Pot Making, Clay Mural, Story Telling, Cyber Hygiene, Calligraphy, and many more. Our teachers presented many interesting and educating activities for the learners. The event was coordinated by Mrs. Sadhana Singh, Coordinator, Middle Wing and Ms. Suvigya Vyas.

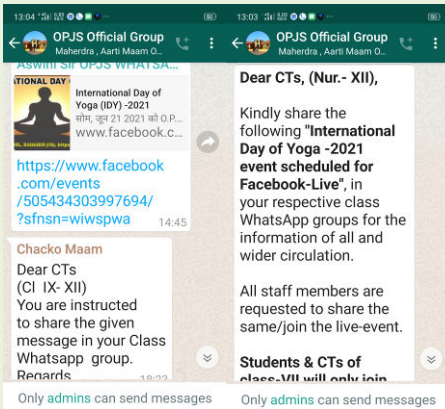

## INTERNATIONAL DAY OF YOGA-2021

Yoga is a powerful tool to deal with the stress of uncertainty and isolation, as well as to maintain physical well-being in a difficult time like today. Yoga is an ancient physical, mental and spiritual practice that originated in India. The word 'yoga' derives from Sanskrit and means to join or to unite, symbolizing the union of body and consciousness. Today it is practiced in various forms around the world and continues to grow in popularity. The International Day of Yoga aims to raise awareness worldwide of the many benefits of practising yoga. OPJS-Raigarh celebrated this day Live on Facebook. Parents, Staff members and students joined online and participated in this event.

## FATHER'S DAY 2021\_PPW

### #Moments With Father

A father is every child's first hero. OPJS-Raigarh wishes all our parents a very happy Father's Day. A father's role in the life of a child is indispensable. A father plays a pivot role in child's life as a friend, philosopher and guide. He silently stands like a protective shield and works very hard to provide his child with the best possible ways. He holds a very special place in everyone's life. Our tiny tots of PPW Wing took this opportunity to honour fatherhood and the parental bond between a father and a child on the occasion of Father's Day. Some adorable snapshots of the small acts of duo-participation in various activities...

HAPPY  
*Father's Day*

## WORLD MUSIC DAY-2021

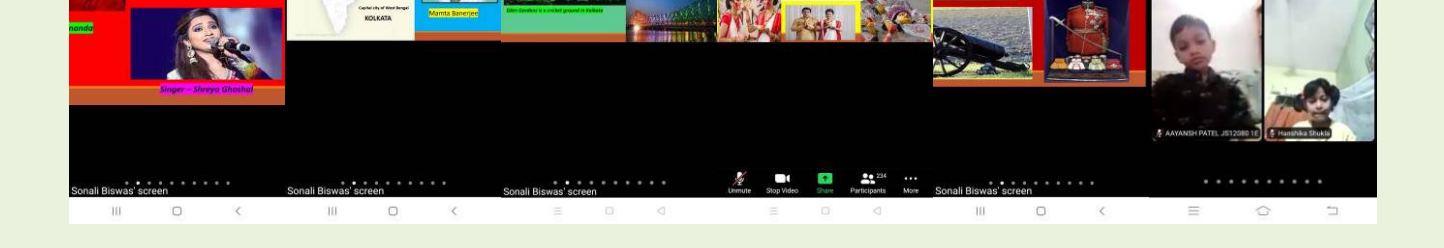

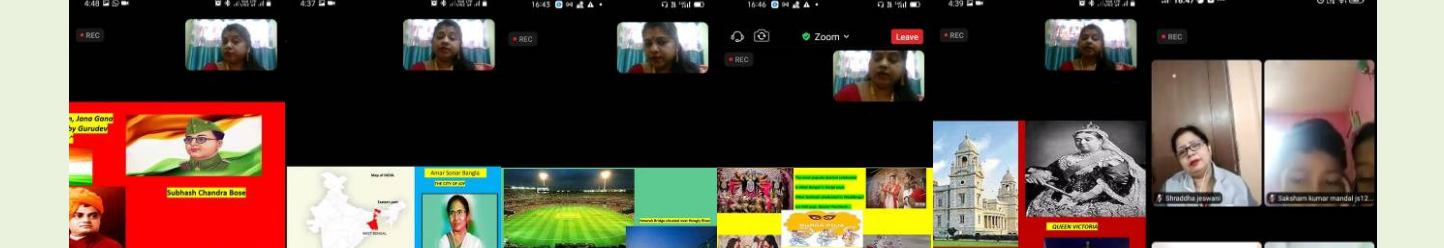

World Music Day is celebrated on June 21 every year to honour the musicians and singers for the gift of music, which gives flight to the imagination and life to everything. A world without music would have no meaning. Many studies and experts have pointed out that music helps in reducing stress, provides better sleep and keeps us going. Music therapy has proved wonders for people battling mental issues and it also helps uplift one's mood. The Music Department of our school celebrated this occasion in their own joyful ways.

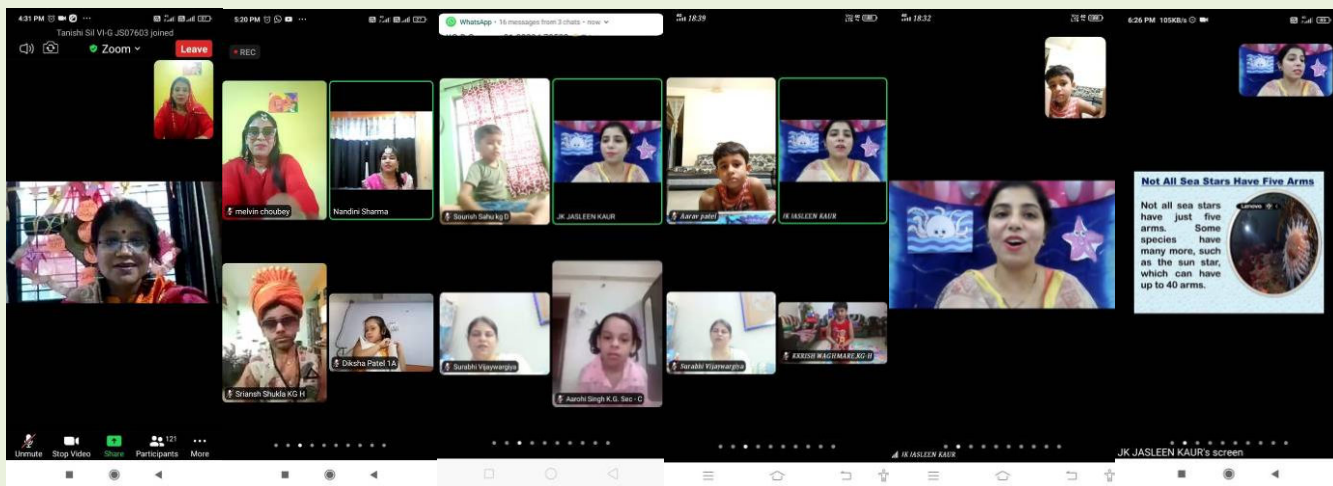

## SUMMER SPECIAL VIRTUAL TRIP\_PPW

Indian culture is quite unique in its own way. The history, culture and heritage of India mesmerise the whole world. Unity in diversified cultures is the essence of our being. An amazing virtual tour was organised by the Pre-Primary Wing of our school, where the teachers took their kids of Nur. to Class-I for a Summer Special Virtual Trip to different states to explore and know more about India. It was a great way to escape into a world of finest sights, monuments and tourists' places. The unique culture of different states was well explained and exhibited by our teachers which included the dance forms, food, unique attire, state animals and many more. Children too were dressed up in particular attire of the states, which they represented. They all had a gala time enjoying the same and having fun.

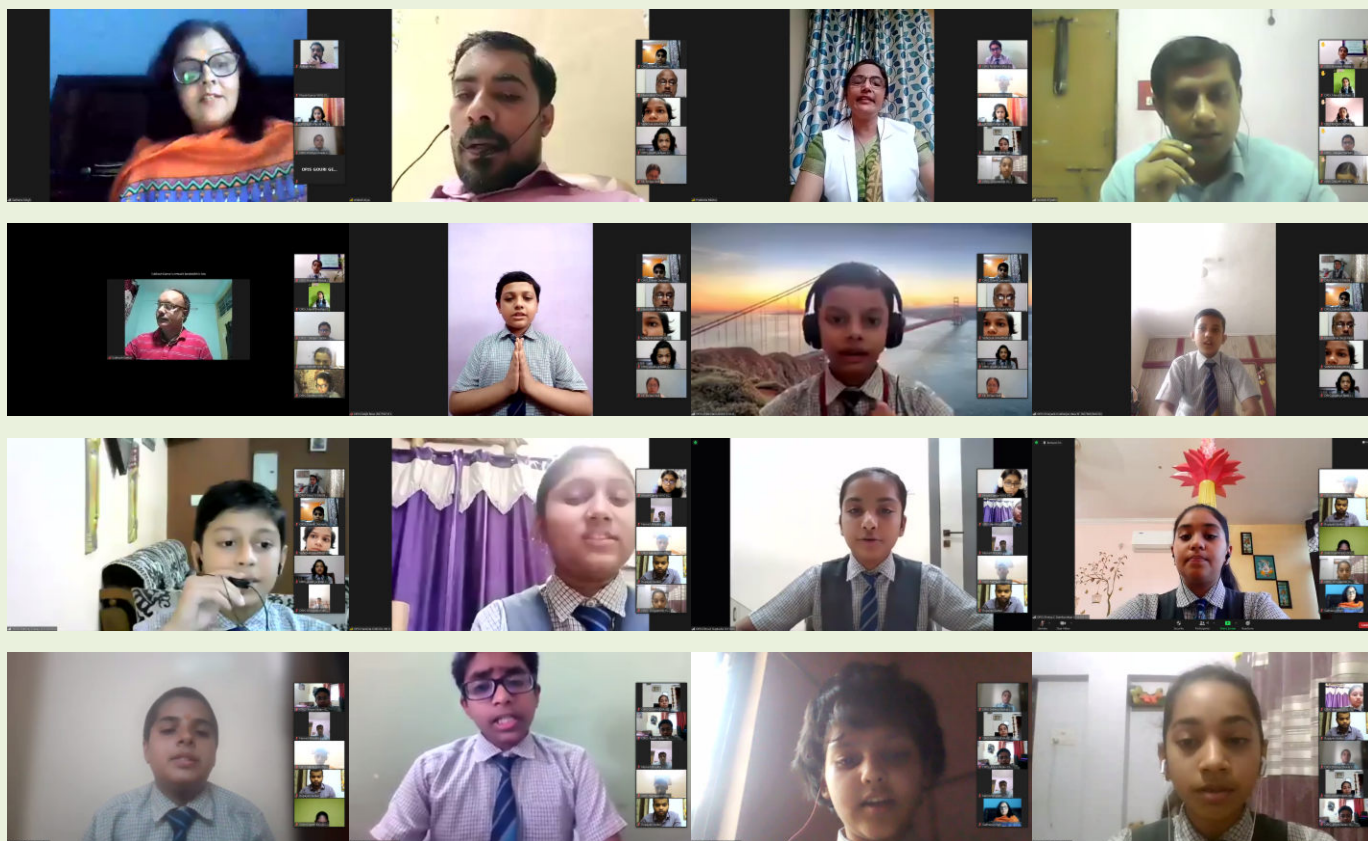

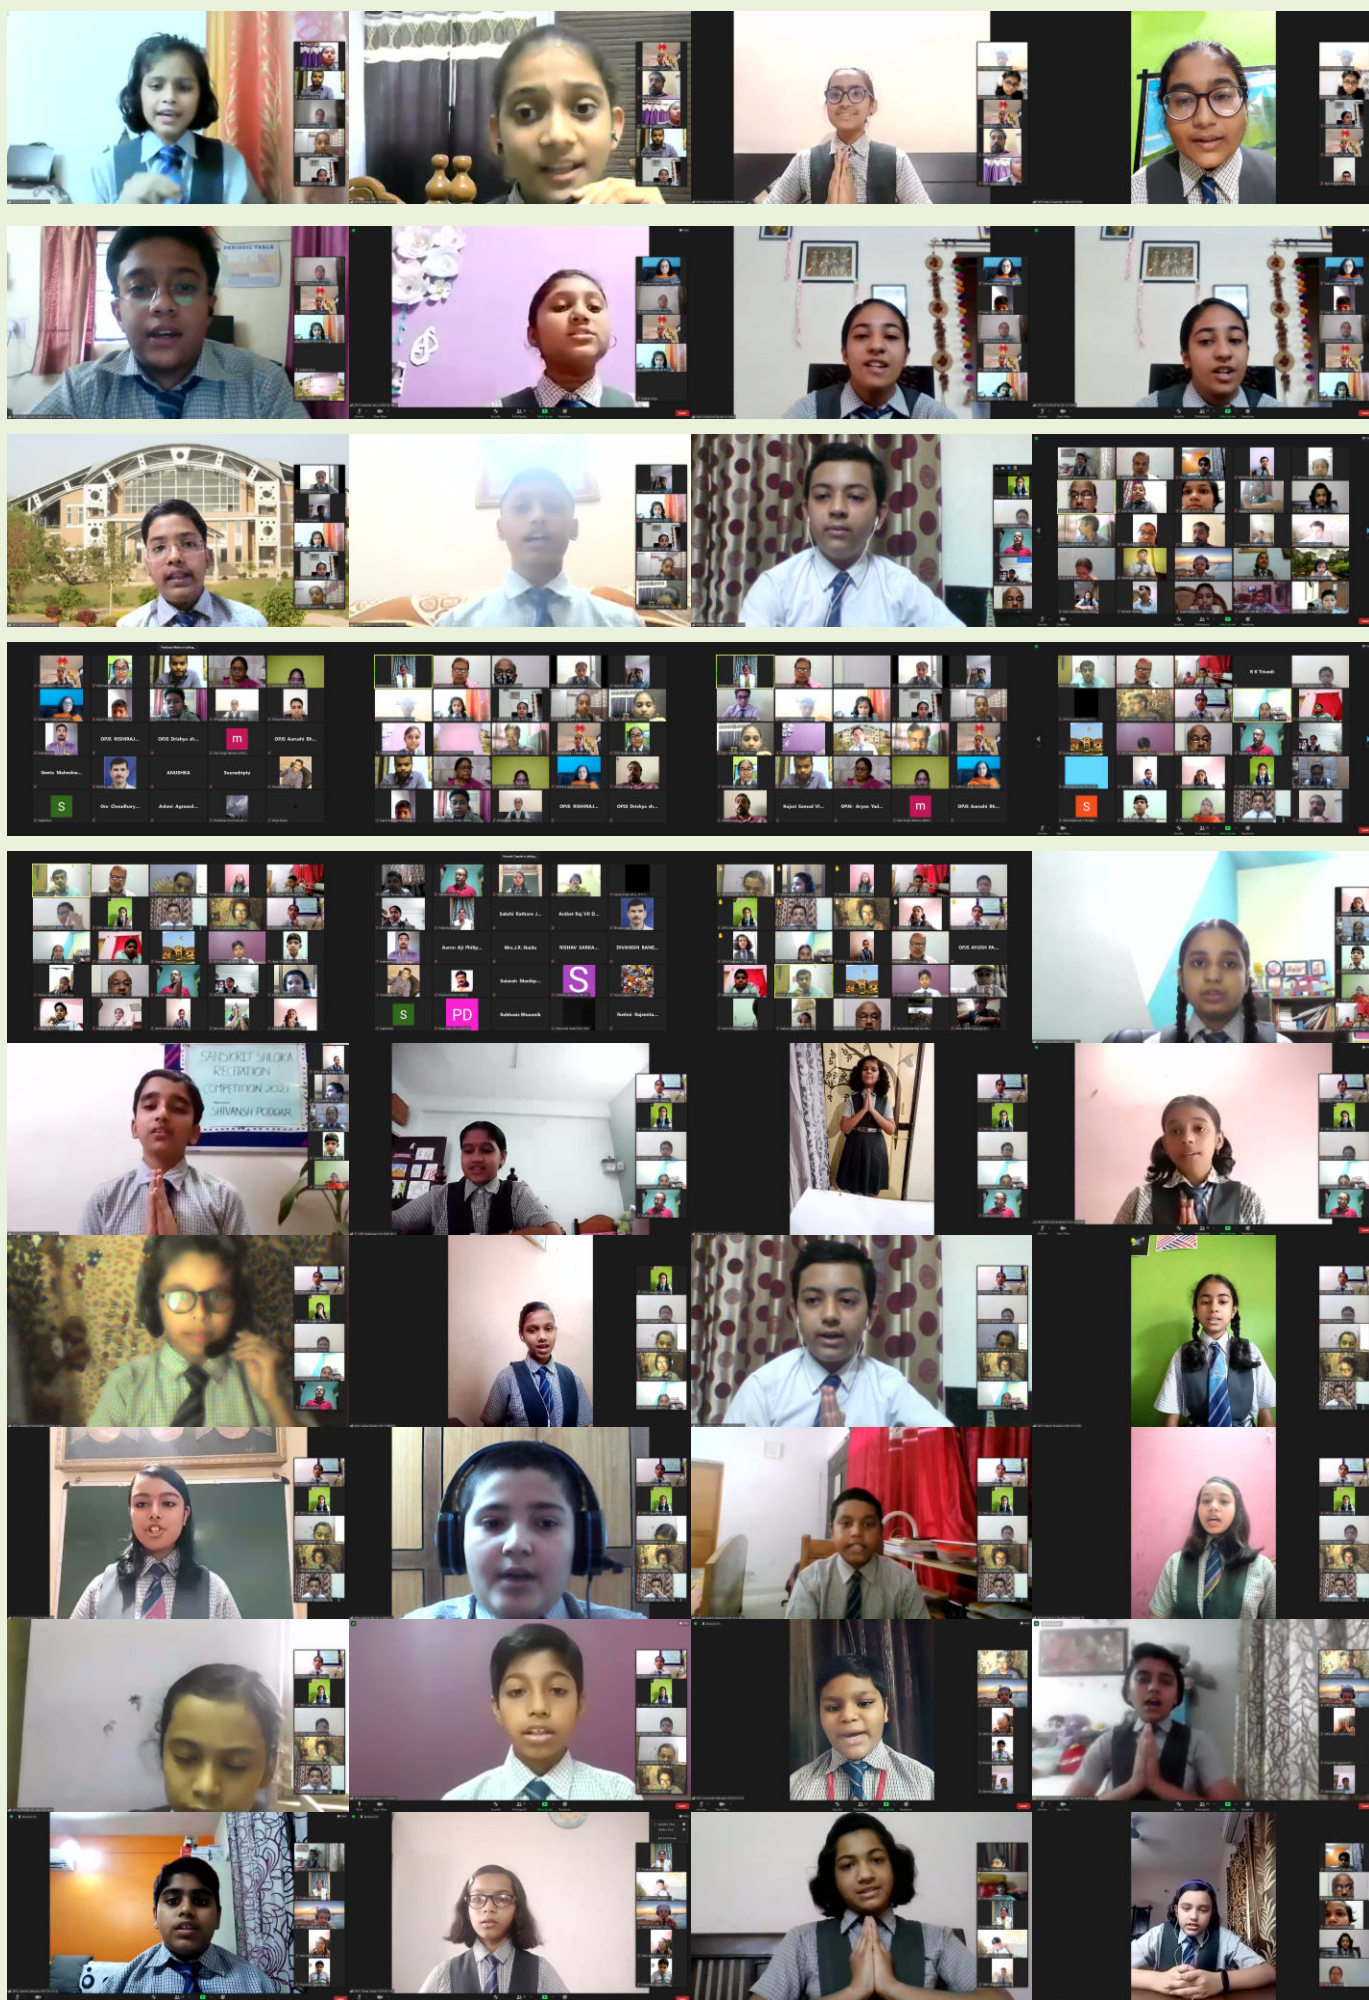

## SANSKRIT SHLOKA RECITATION COMPETITION 2021

The chanting of Sanskrit shloka has got manifold benefits. Well chanted Sanskrit shlokas bring our minds back to the consciousness. Researchers have found that chanting shloka can help improve concentration and energise the brain. Chanting Sanskrit shloka also has a direct benefit on our physical, intellectual as well as emotional health. Keeping this in view, the Sanskrit shloka recitation competition was held for the students of classes VI-VIII from 18th to 20th June, 2021, in online mode. The selected students enthusiastically participated in this soulful competition. Mr. R. K. Trivedi, our Principal appreciated the efforts of all the participants and talked about the sublimity and sanctity of Sanskrit language.

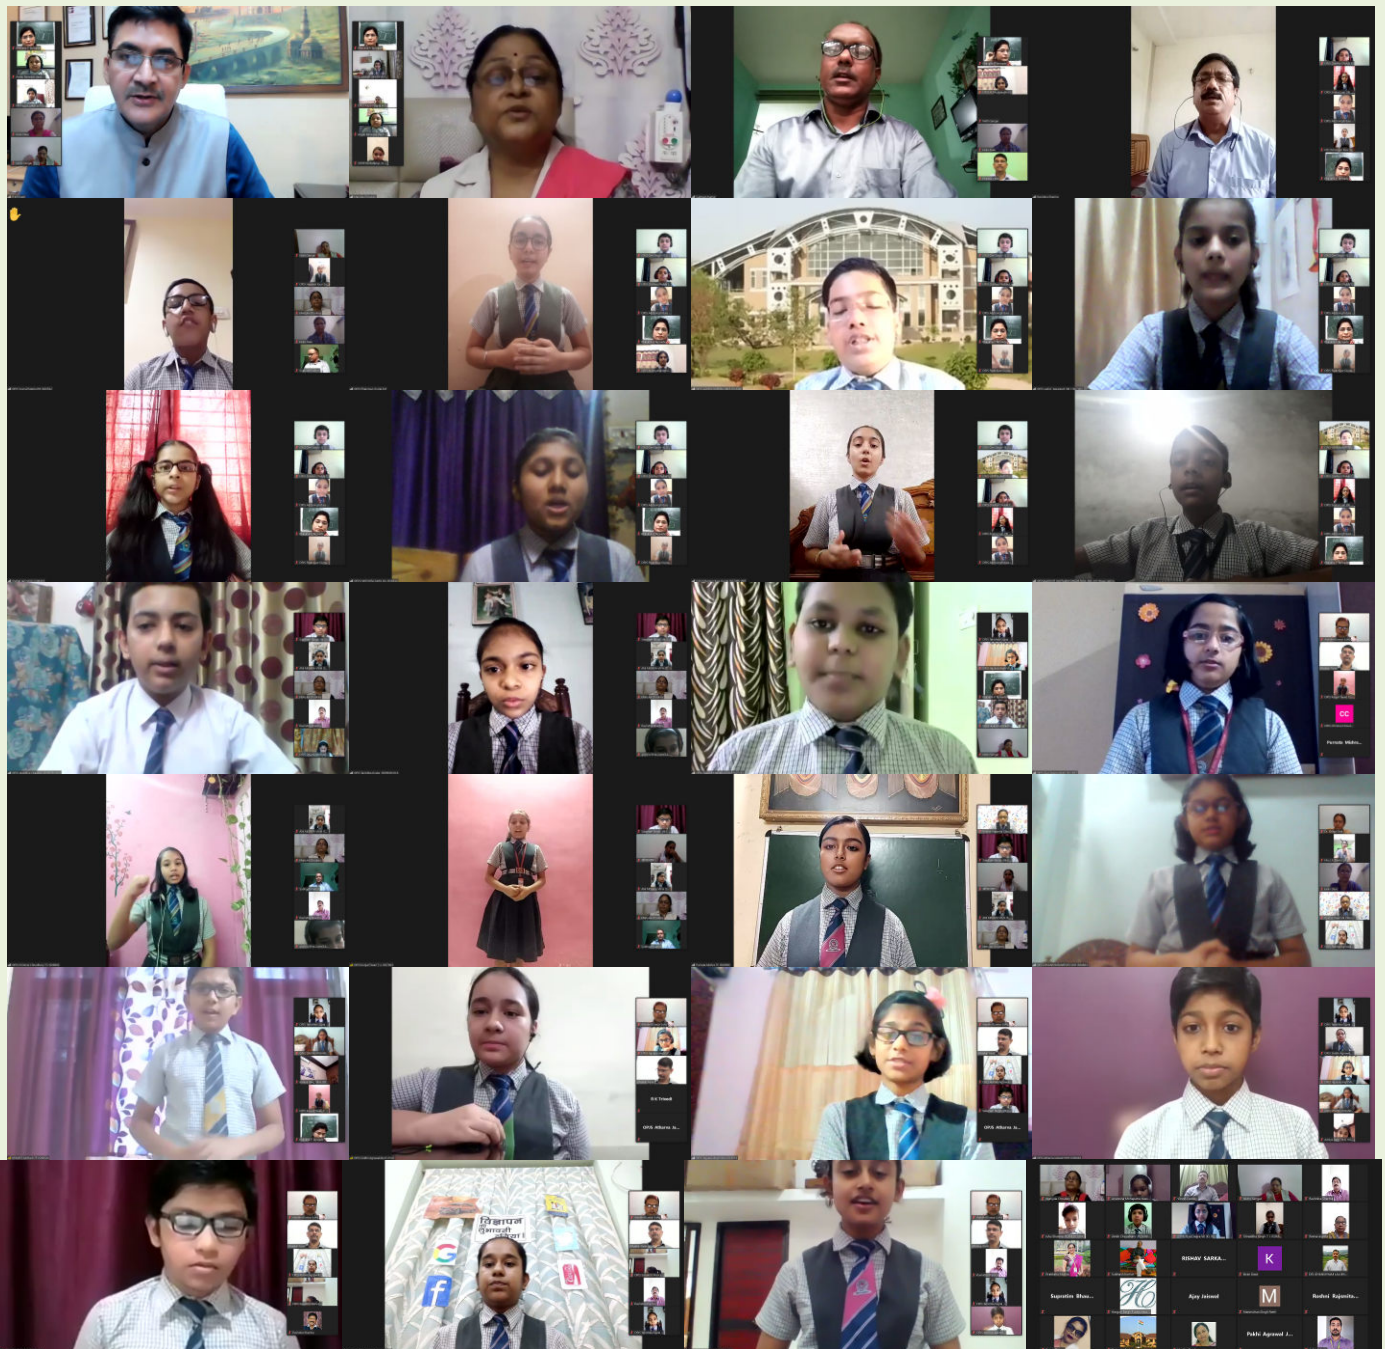

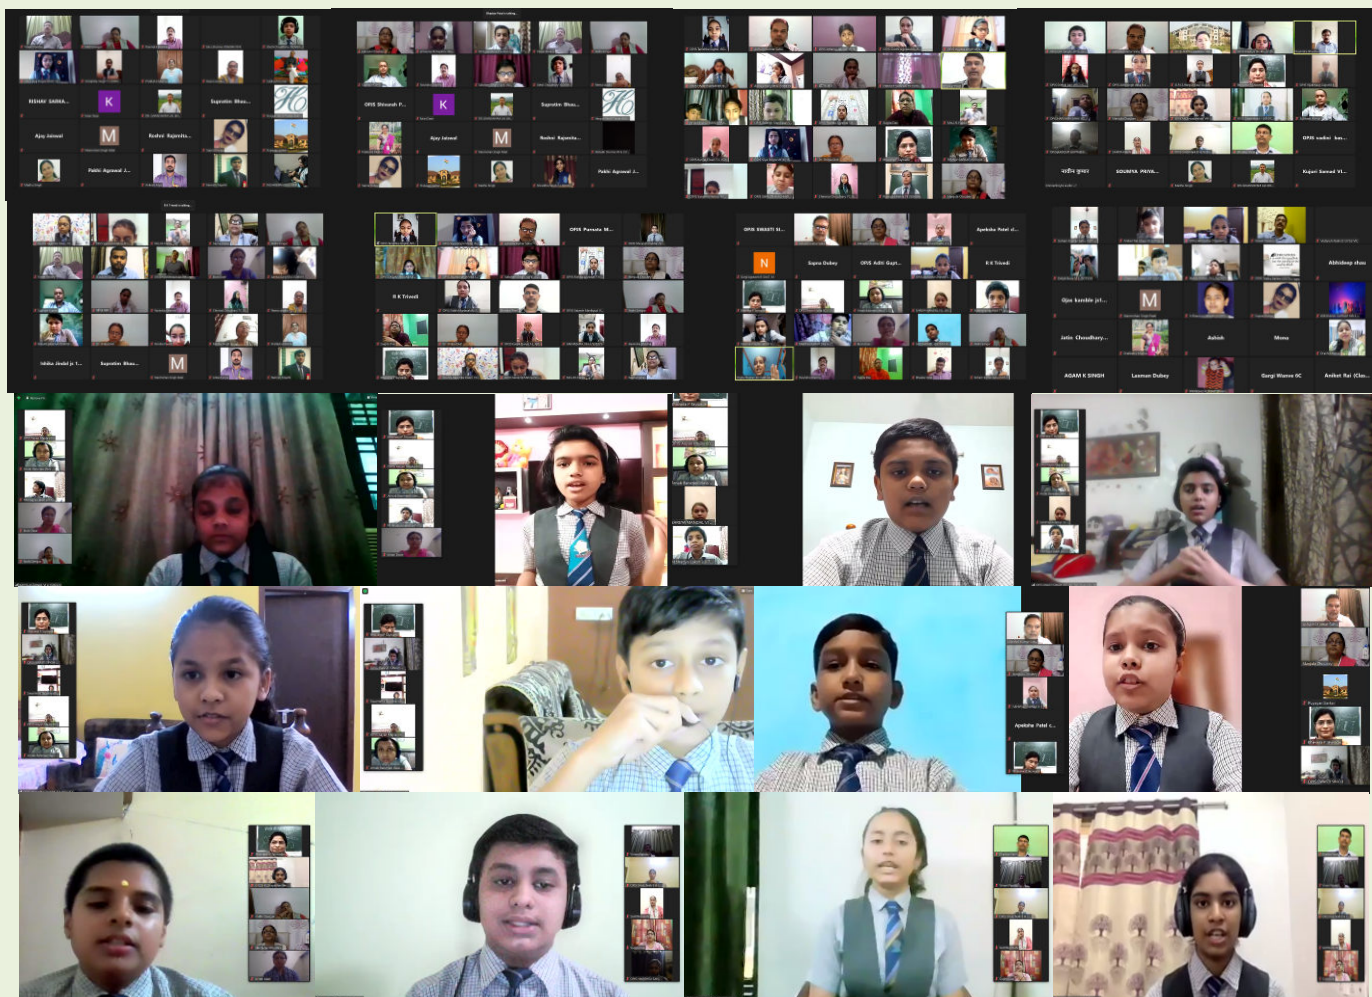

## हिंदी संभाषण प्रतियोगिता

छात्रों के सर्वांगीण विकास की गतिविधियों की श्रृंखला में ओ. पी. जिंदल विद्यालय रायगढ़ में पूर्व माध्यमिक कक्षाओं के विद्यार्थियों हेतु दिनांक २५ से २७ जून २०२१ के मध्य 'आभासी संभाषण प्रतियोगिता' का आयोजन किया गया। जिसमें उक्त कक्षाओं के बच्चों ने उत्साहपूर्वक भाग लिया। छात्र-छात्राओं को उनके सदनों की ओर से चयनित कर संभाषण हेतु अवसर प्रदान किया गया, जिसमें बच्चों ने अपनी संभाषण कला के साथ विषय वस्तु, उच्चारण तथा सततता के साथ प्रस्तुतीकरण दिया। इस प्रतियोगिता में हिंदी-संस्कृत साहित्य परिषद के सभी शिक्षक एवं विद्यालय के गतिविधि समन्वयक तथा विद्यालय के प्राचार्य की उपस्थिति रही। कार्यक्रम के अंत में प्राचार्य ने इस आपातकाल में भी बच्चों के उत्साह और प्रयास की प्रशंसा की तथा छात्र-छात्राओं के व्यक्तित्व विकास में इस प्रकार के आयोजन हेतु विद्यालय परिवार को बधाई दी।

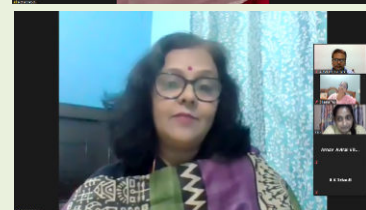

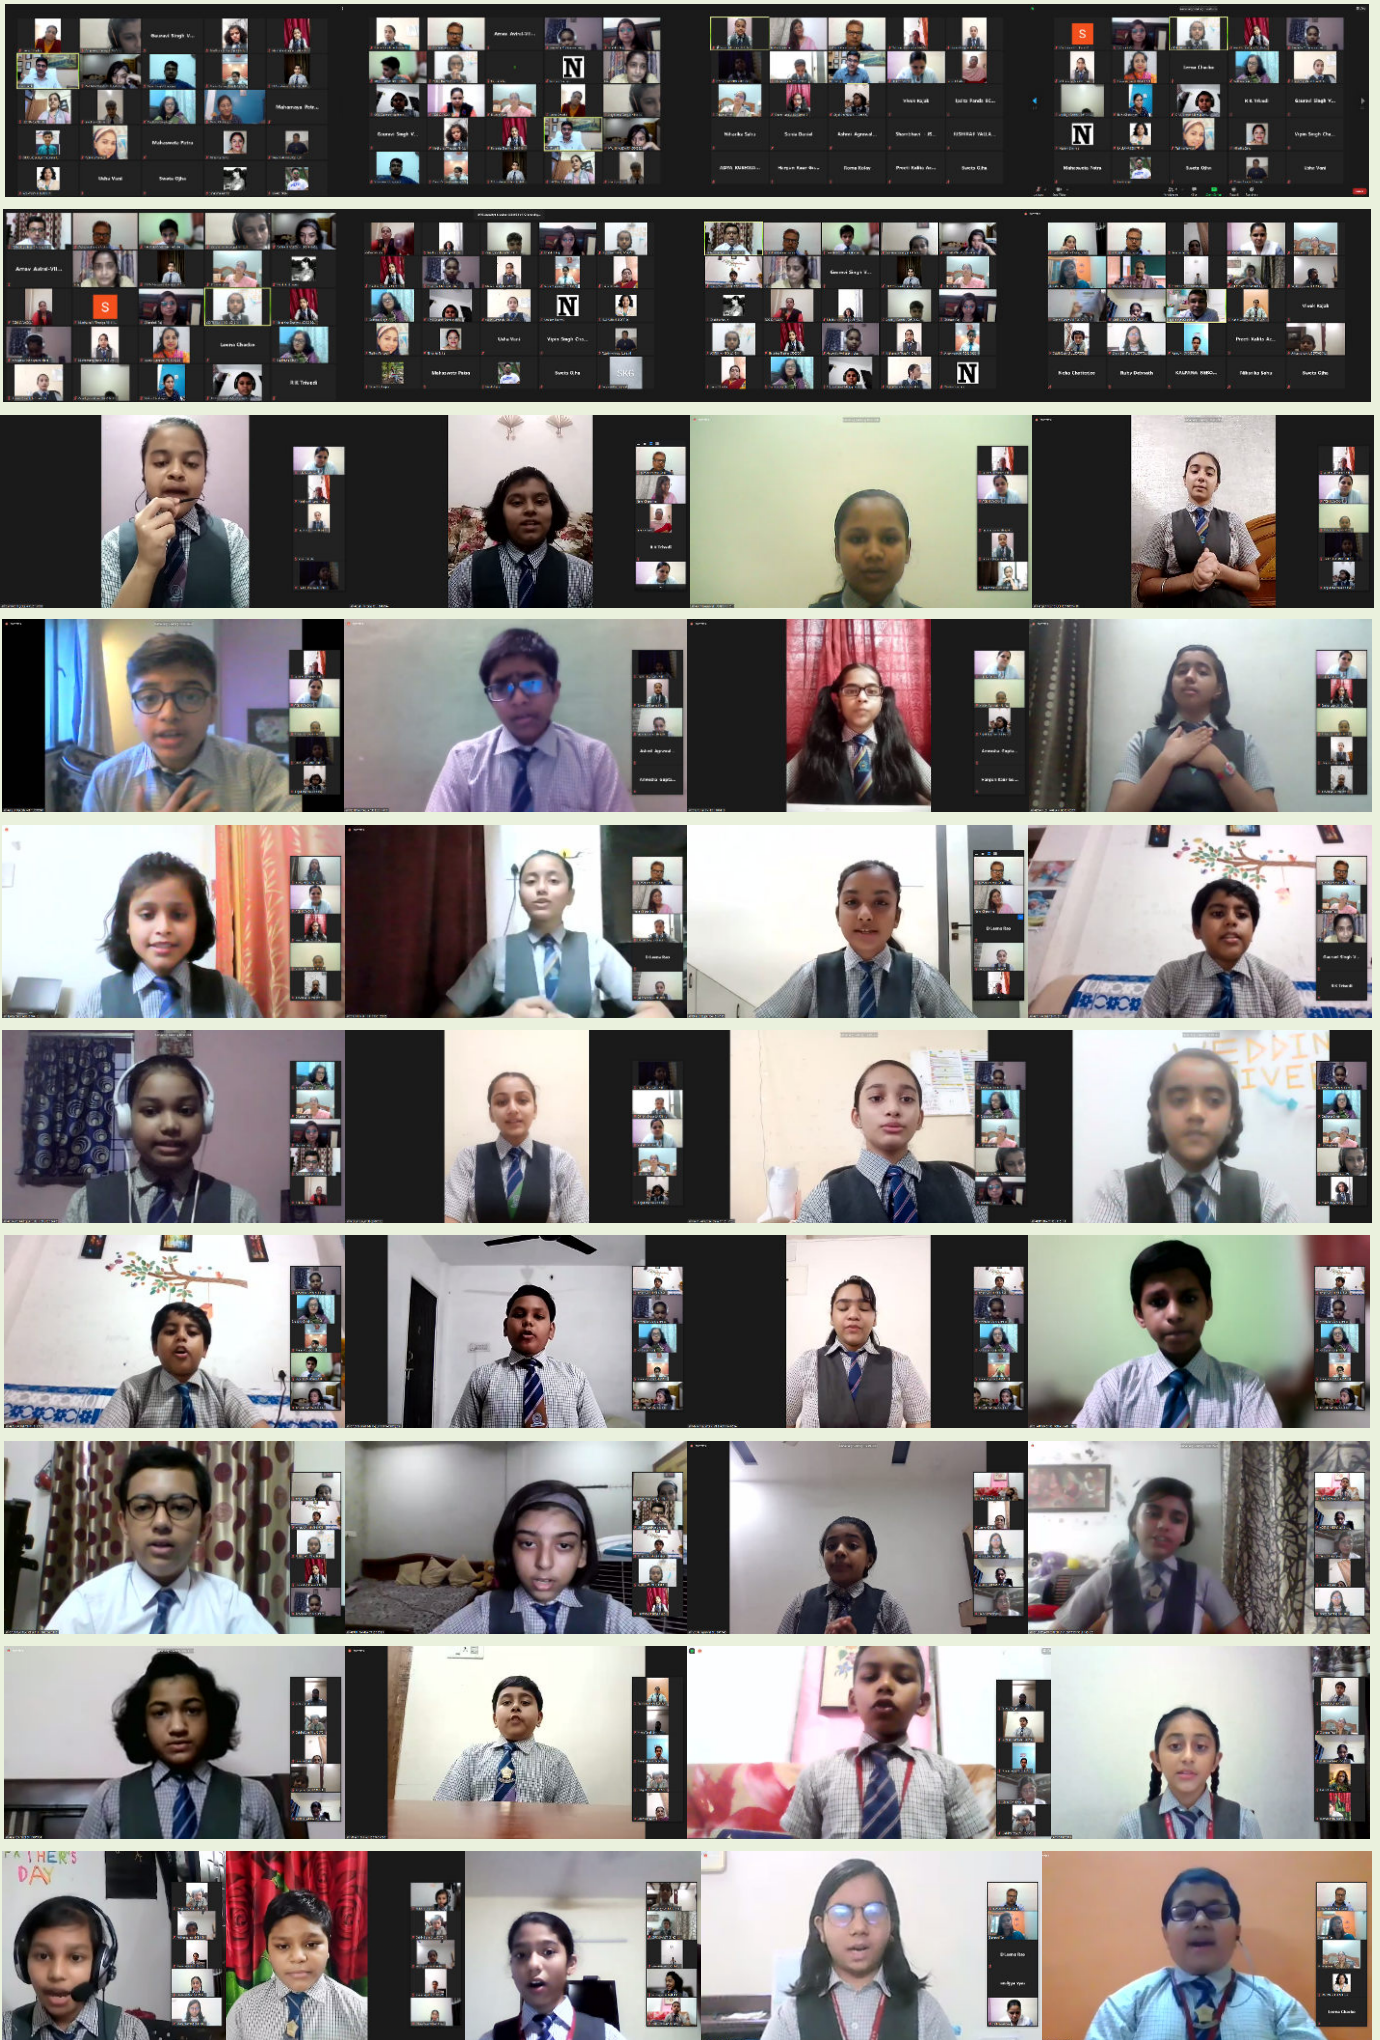

## ENGLISH POETRY RECITATION COMPETITION 2021

“Poetry is simply the most beautiful, impressive, and widely effective mode of saying things”. Poetry recitation is very important for children as it is a beautiful and effective way which facilitates the child to express. It awakens one’s sensitivity and enhances creative capacity. They deepen their understanding of the language. It helps improving writing skills, creative thinking, and vocabulary of the children. It helps in the development of natural rhythms. To kindle poetic flair among the students, the English Poetry Recitation Competition was held for classes VI-VIII in virtual mode from 29th June to 1<sup>st</sup> July, 2021 by our school. Selected students from these classes participated in it and exhibited their recitation skills in many creative ways. Our Principal Mr. R. K. Trivedi, asked the participants to develop a taste for good poetry in different languages and have the natural rhythmic style.

## GUIDANCE AND COUNSELLING SESSIONS FOR STUDENTS

Our school curriculum incorporates a carefully planned comprehensive programme of counseling & guidance programme that aims to promote healthy living; emotional skill building as well as resolution of psychological concerns .During the online academic session 21-22, virtual session were conducted between April – June 2021.

**Mass counselling / guidance programmes** were conducted online through videos & virtual sessions in order to promote physical, emotional & social wellbeing as well as facilitate academic development of students. The sessions were conducted by the Principal , school counsellor, school doctor, teachers as well as external resource persons.

### Pre Primary Wing

In classes Nursery- I , seven sessions were conducted by the Mother-Teachers & Guest Speakers under the guidance of Senior Mistress & Counsellor. Students were educated about oral health , hygiene management ,COVID guidelines , safety , good behaviour etc. Nearly 4500 students participated along with their parents.

### Primary Wing

In classes II-V, seven sessions conducted by the Principal of our school, counselor, school doctor & external resource persons to promote hygiene management, environmental care, preparedness for assessment, self development, reading habit, perseverance etc. Students enthusiastically participated along with their parents .Total participation remained nearly 5238.

### Middle Wing

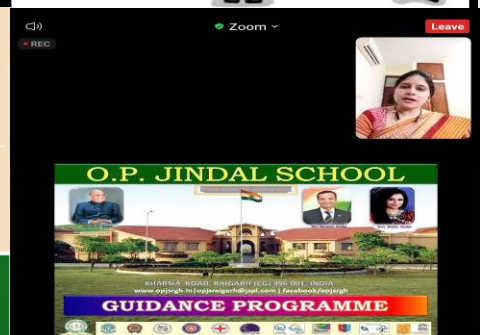

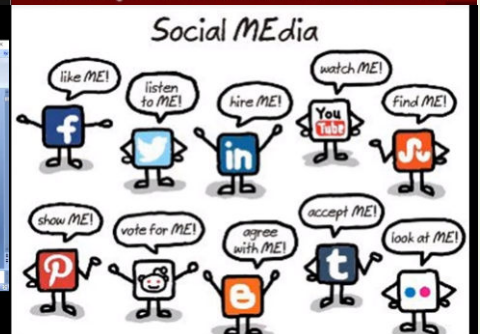

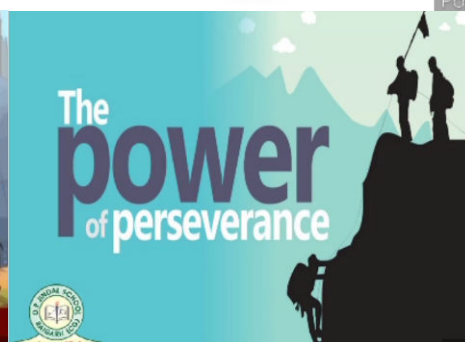

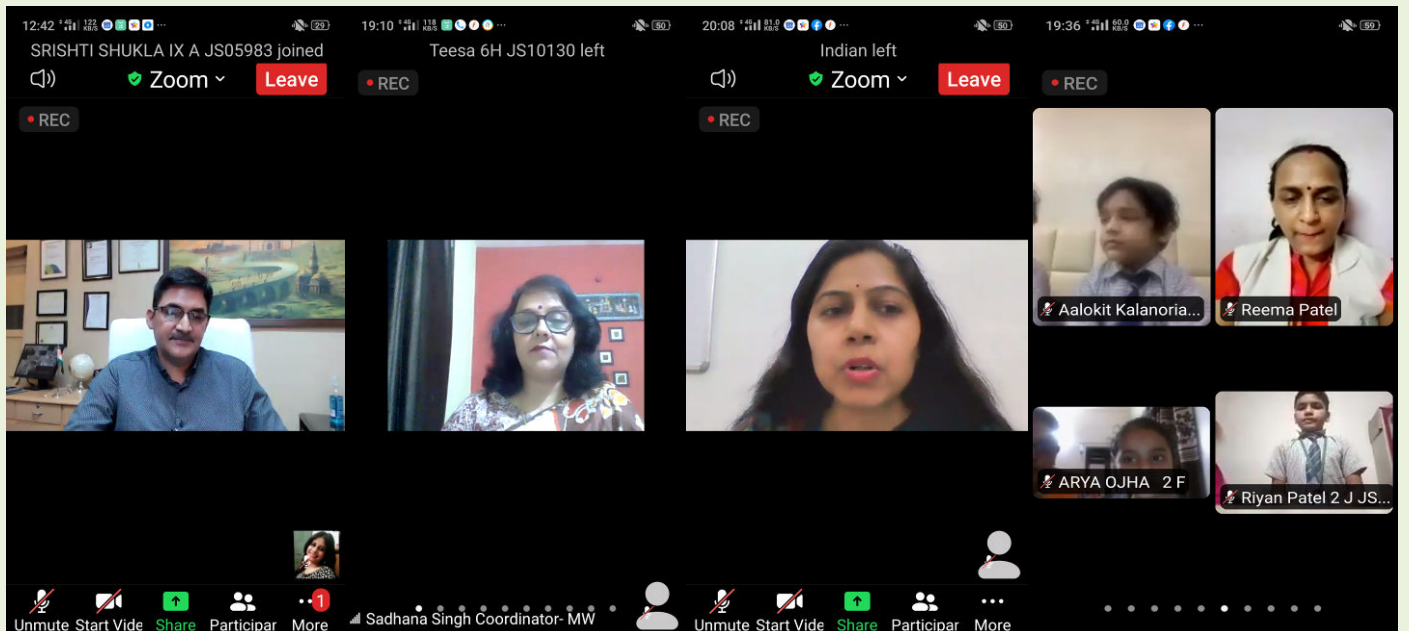

In classes VI-VIII, eight sessions conducted by school authorities & external resource persons. A wide range of topics were covered including health education, self discovery, gender sensitivity, cyber bullying, power of perseverance, self development, academic motivation etc. Students actively participated in the sessions & post counselling online activities. Total participation was nearly 7600.

### Senior Wing

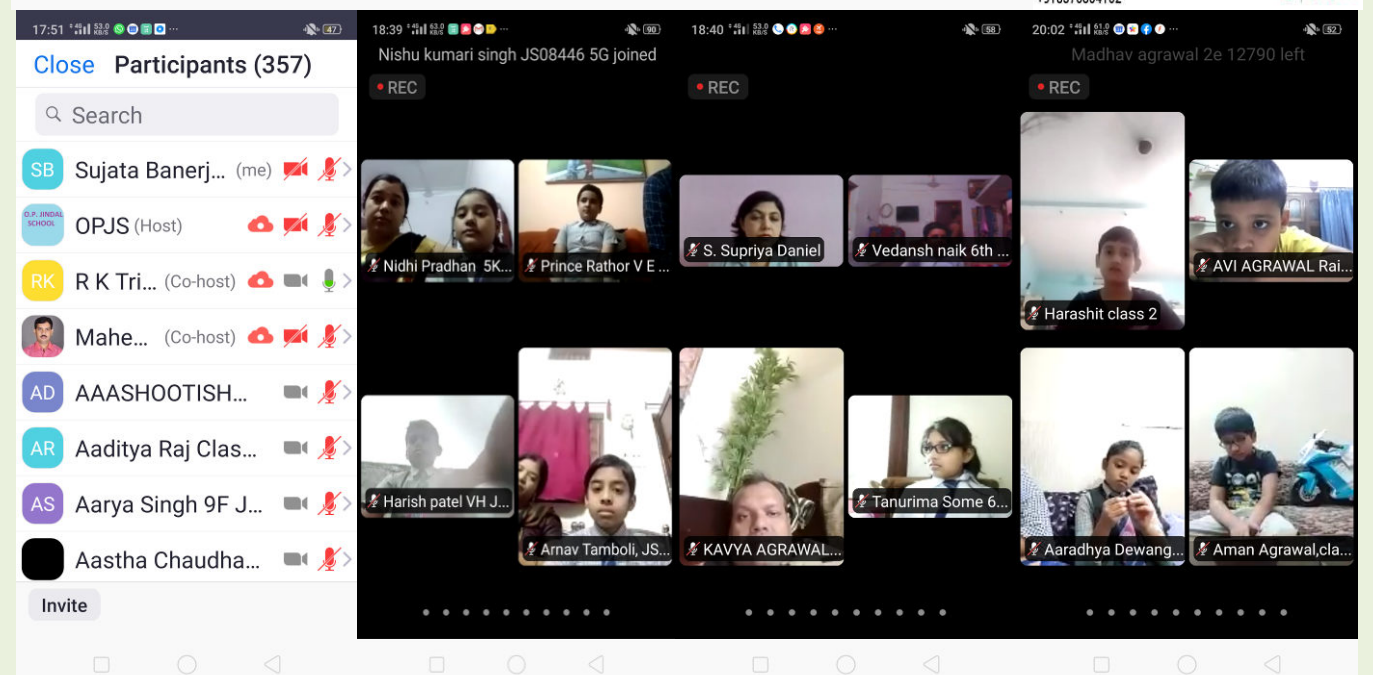

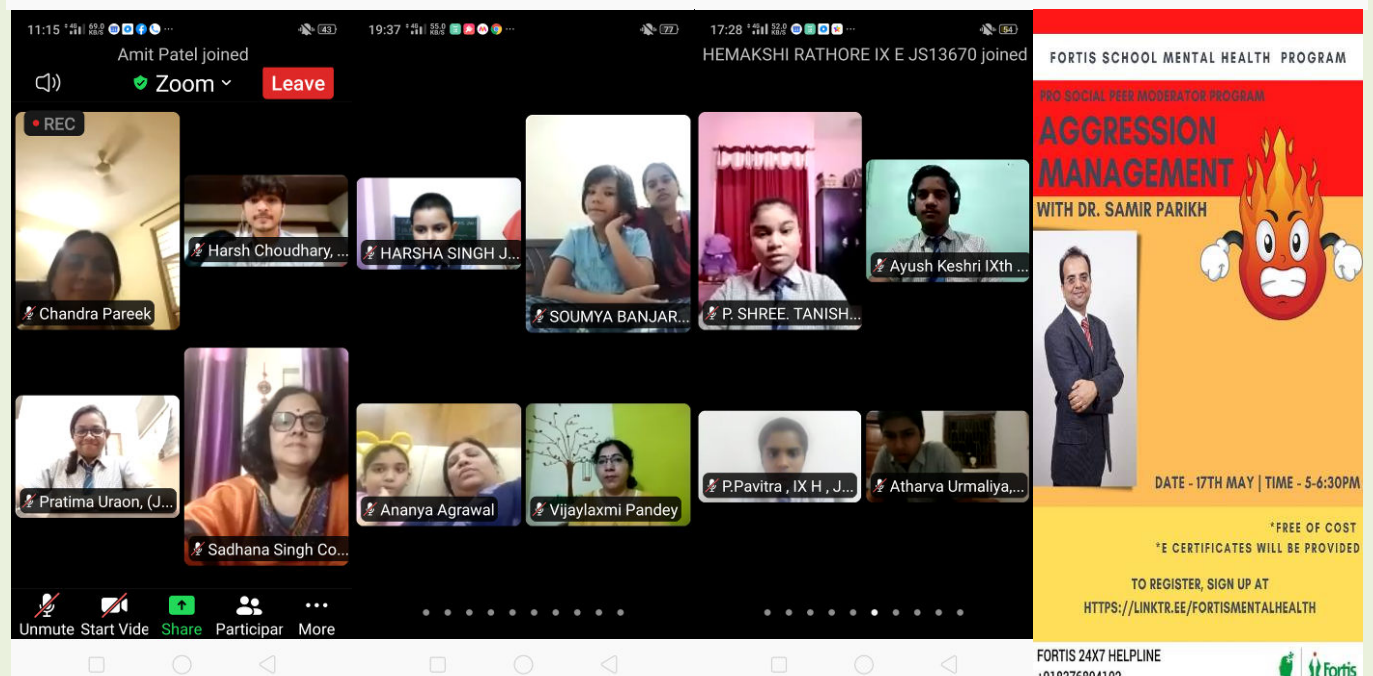

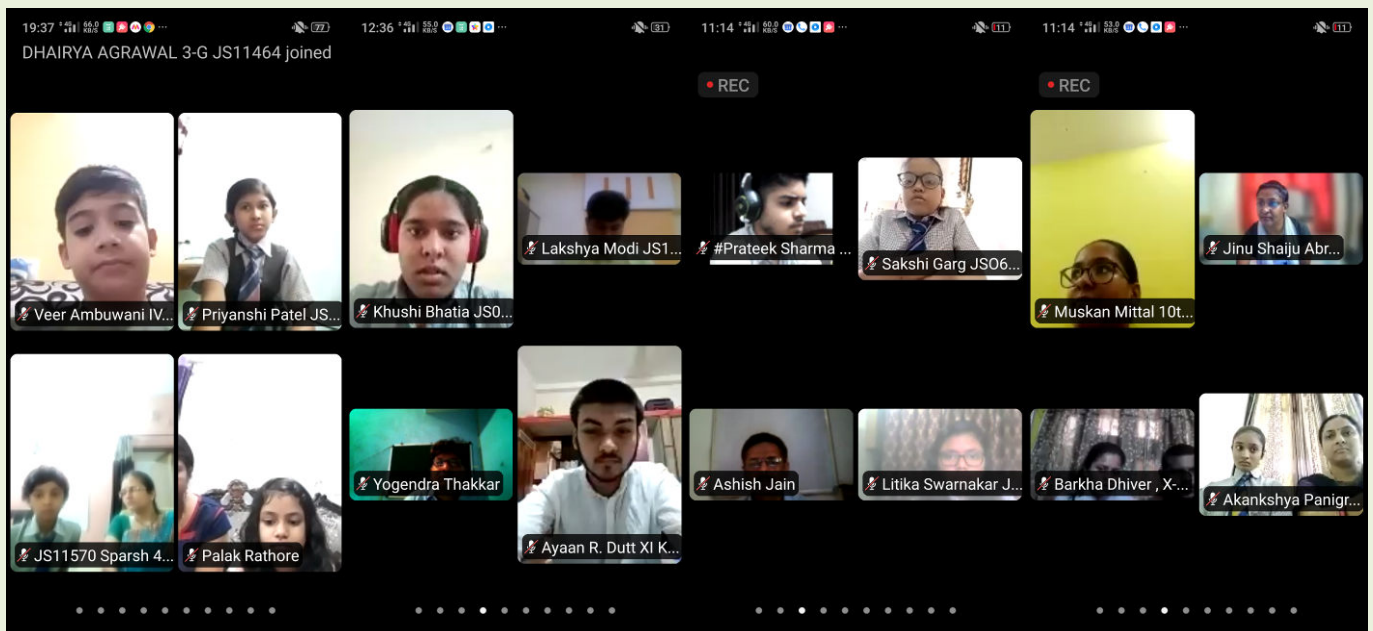

In classes IX –XII, nine sessions were conducted with the objective of motivating students for adopting healthy /hygienic life style, focus upon academic development, examination & career development .External resource persons were also invited to generate awareness about gender sensitivity, media literacy, aggression management , subject selection , career planning etc. Total participation remained 5147 which was quite satisfactory.

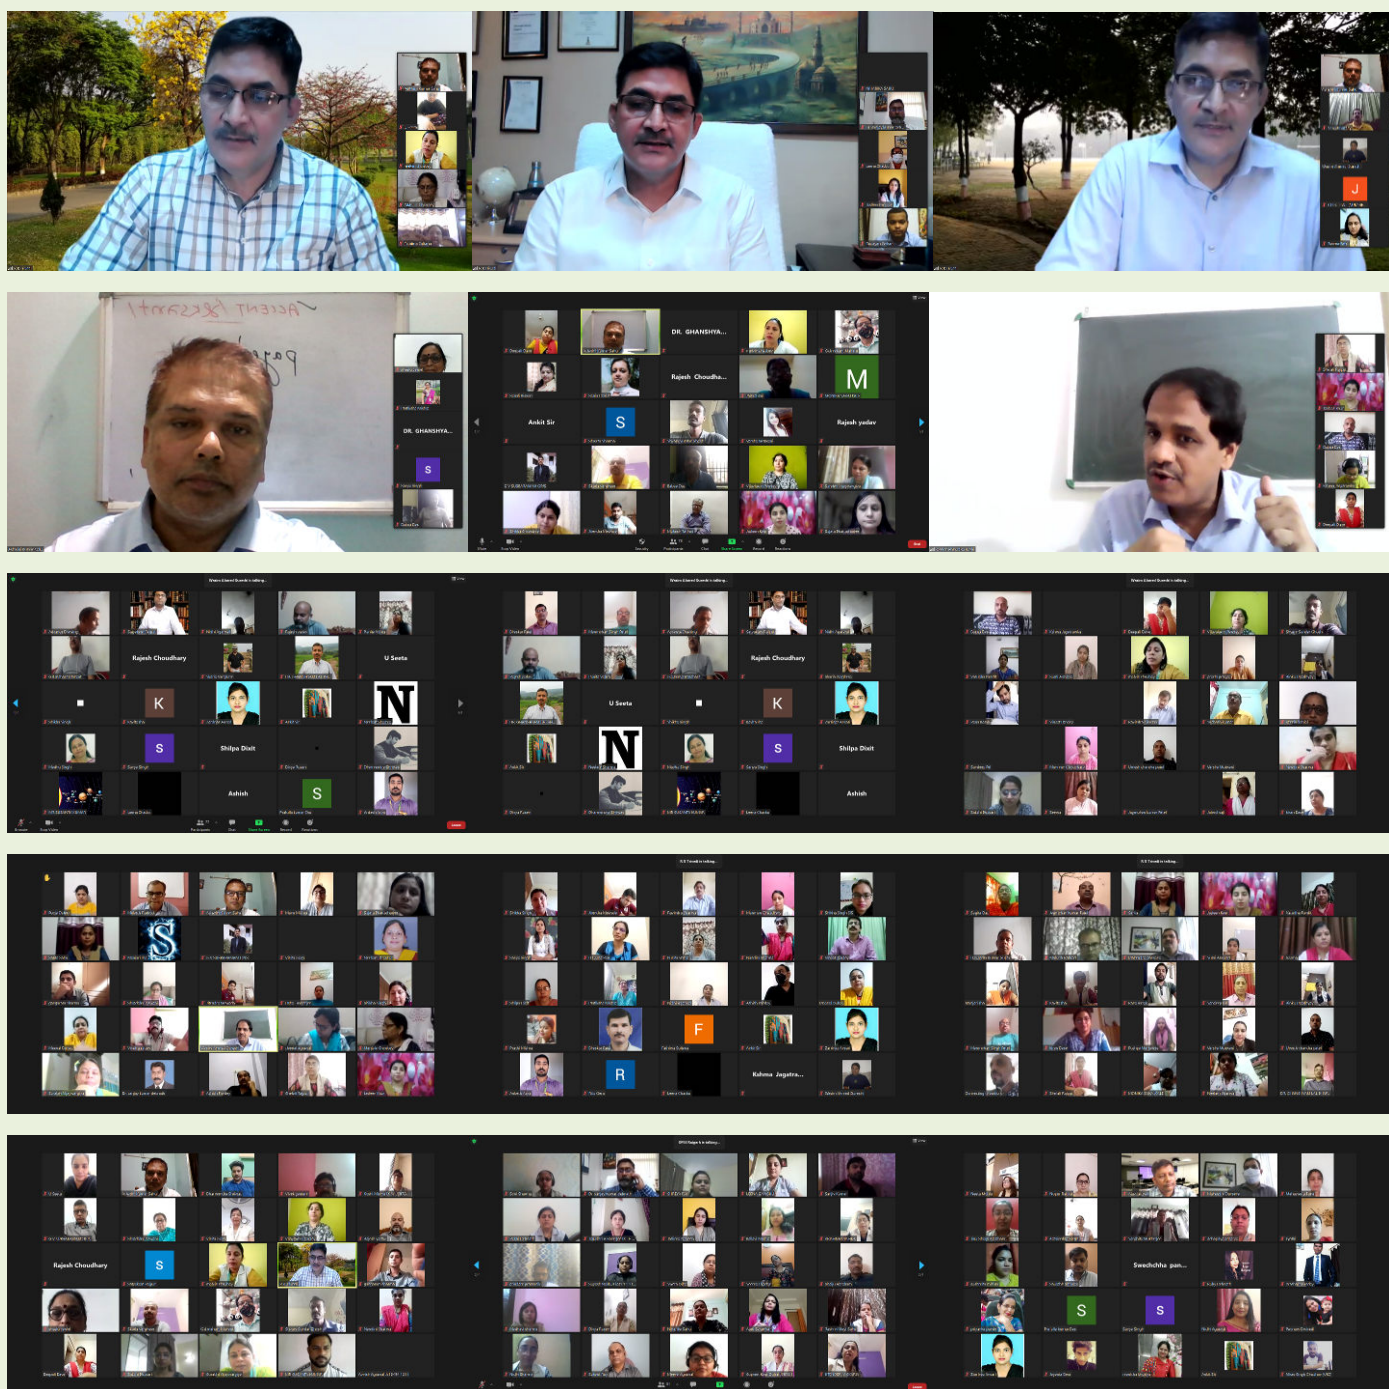

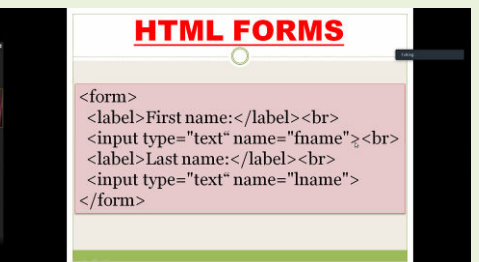

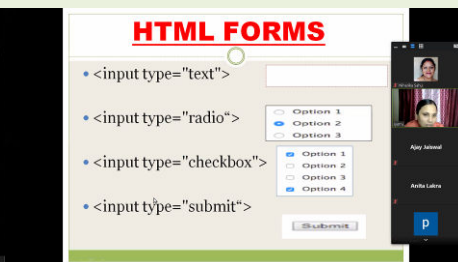

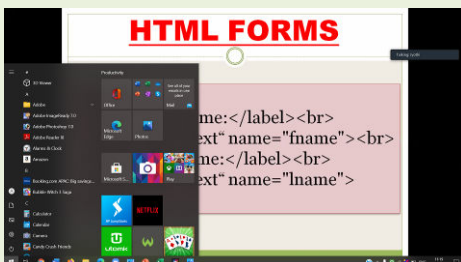

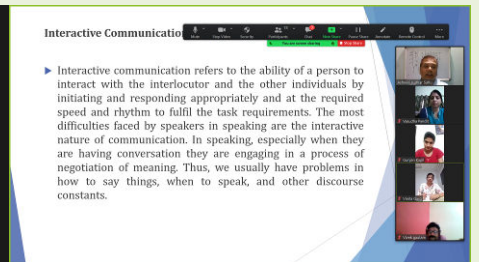

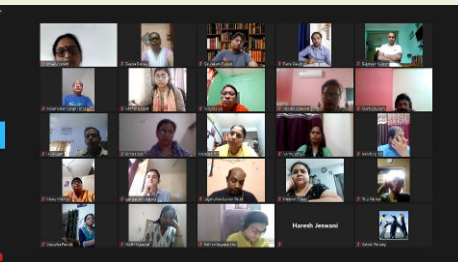

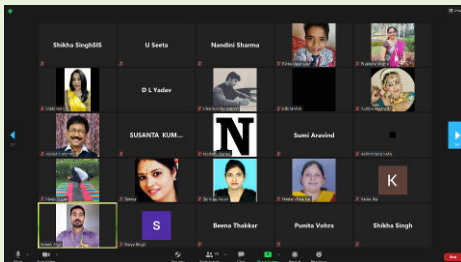

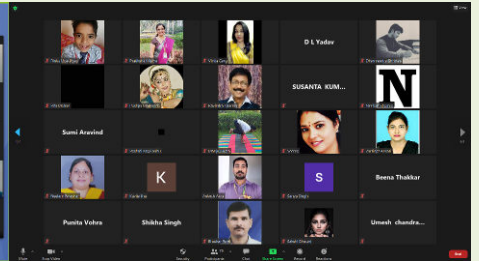

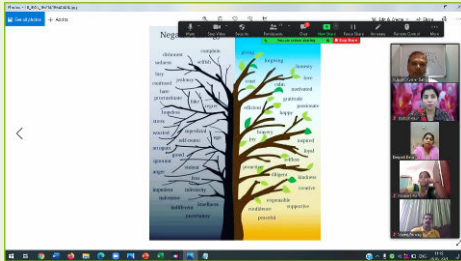

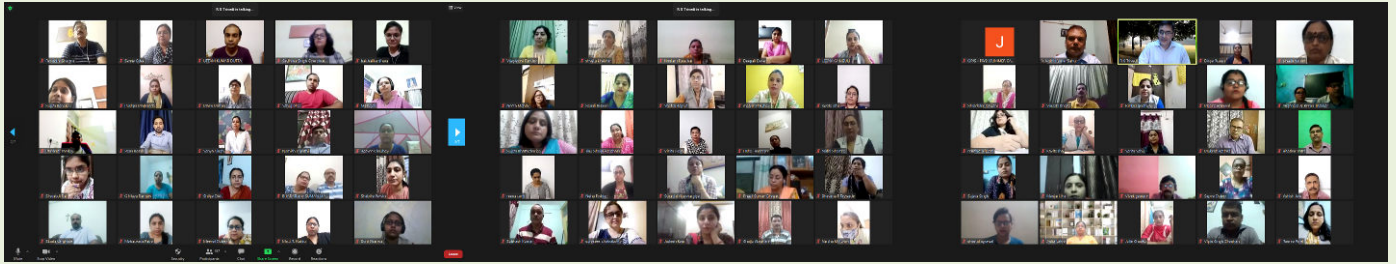

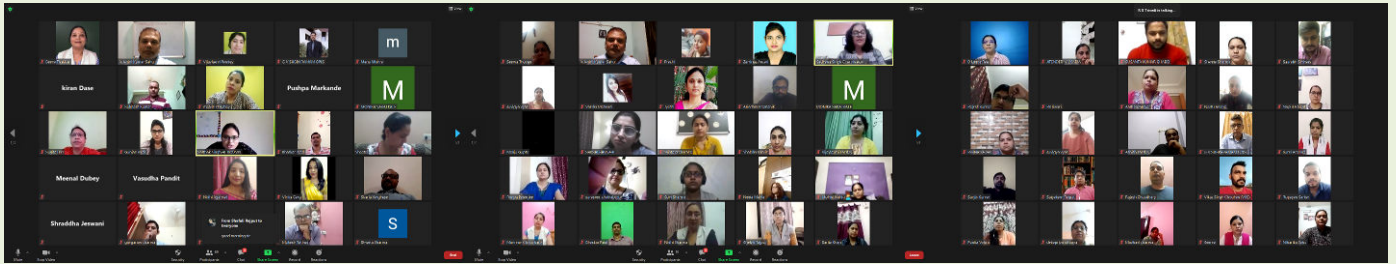

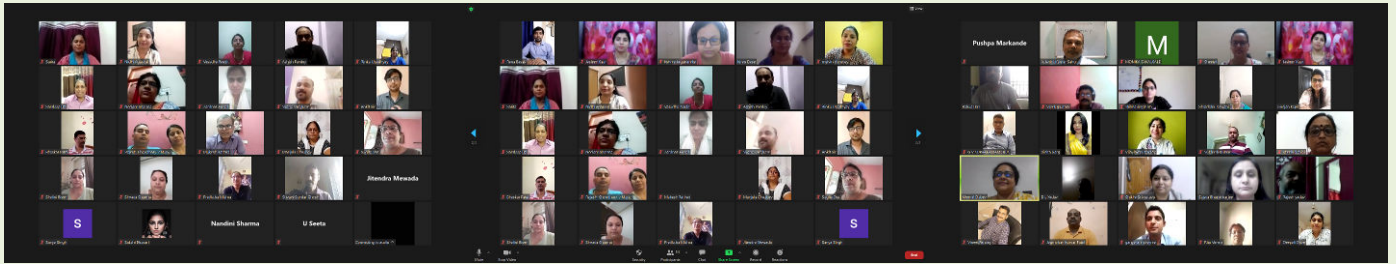

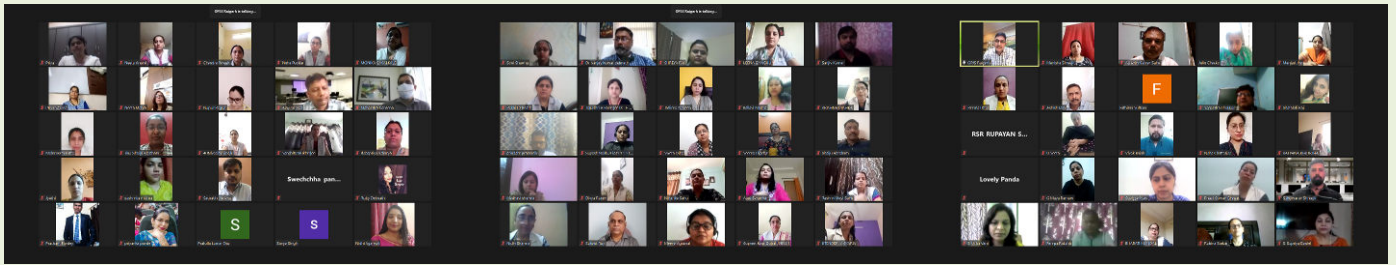

## TEACHER DEVELOPMENT PROGRAMME-2021

An exclusive Teacher Development Programme-2021 was held in our school in different segments from 19<sup>th</sup> to 29<sup>th</sup> May, 2021. This 10-days event included the Language Development Programme, Science Teaching, IT Skill Development and Maths Teaching programmes for the teachers of our school. The subject experts of different subjects imparted the training and conducted the sessions. In his inaugural address our Principal Mr. R. K. Trivedi stressed on the importance of teacher training and sharpening skills for the better understanding of the subjects. He asked everyone to develop the right attitude towards continuous learning process. After the successful completion of the event, e-certificates were issued to the participants. It was a great platform for our teachers for their professional development. The event was coordinated by Mr. Ashwini Kumar Sahu, the Coordinator (Activity).

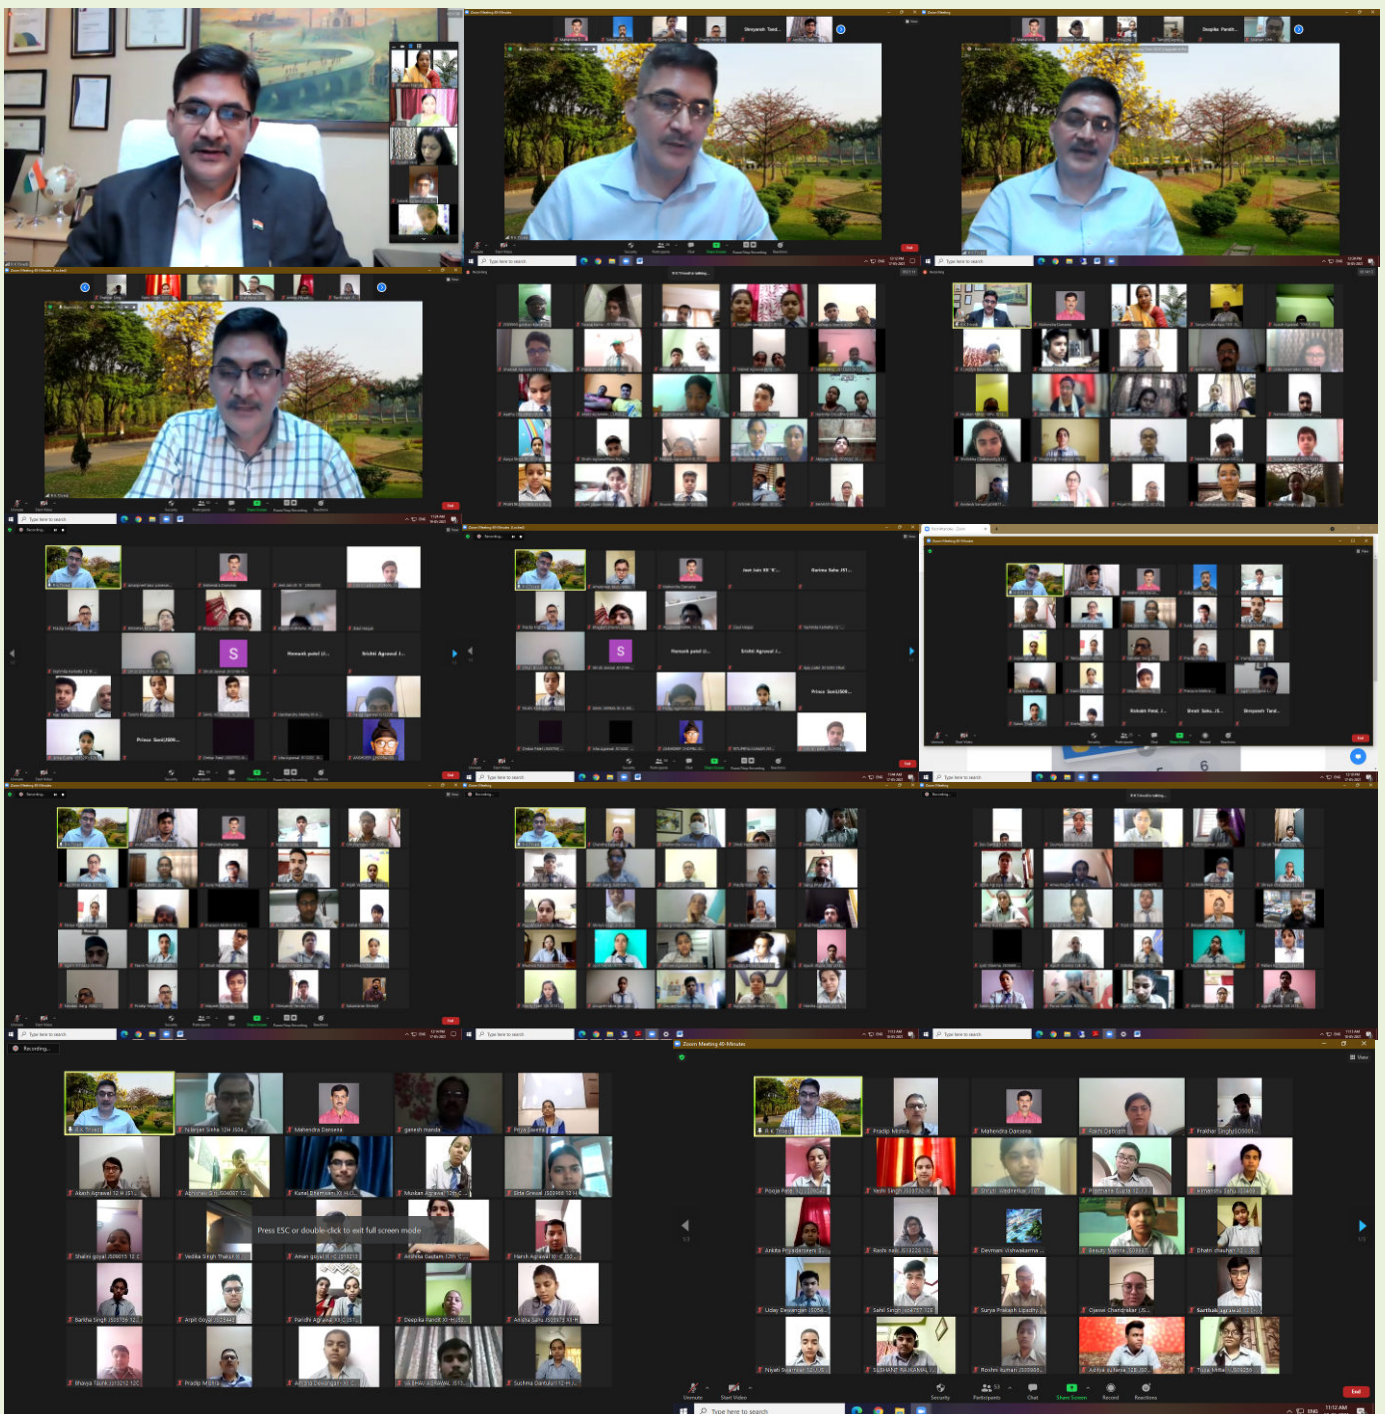

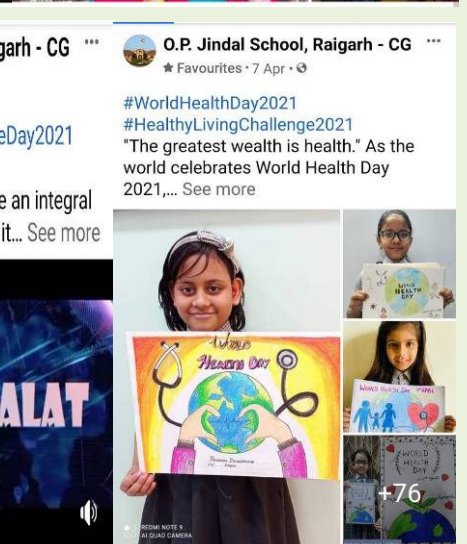

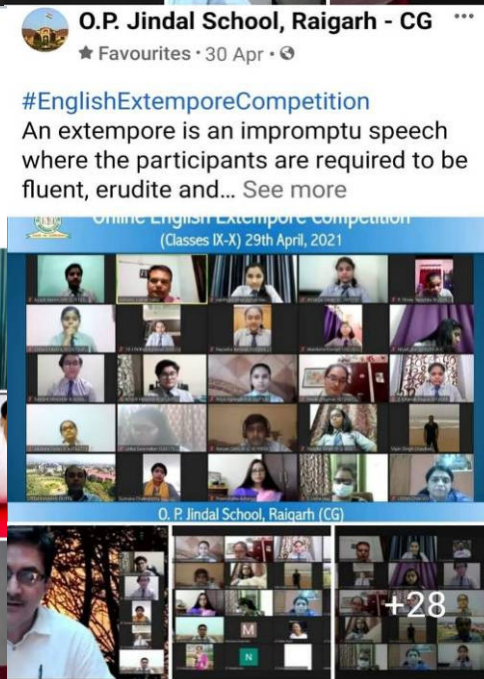

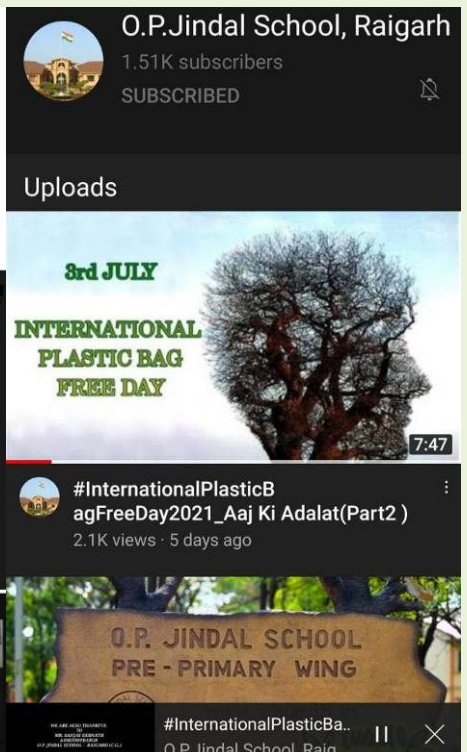

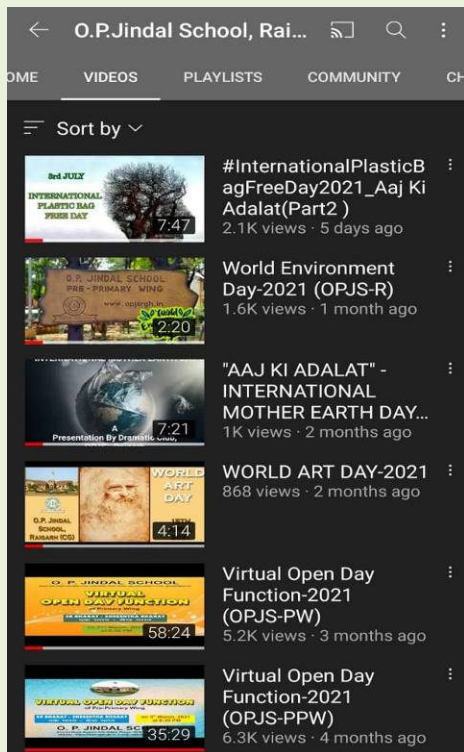

## PARENTAL INTERACTIVE SESSIONS WITH THE PRINCIPAL

A series of virtual parental interactive sessions with the Principal were held on various academic related aspects for different classes during the period from April to June, 2021. Parents attended these virtual sessions and interacted with the Principal on various issues. There were many career counselling programmes too for the students. The Principal also shared the detailed planning for the current academic session and assured the best possible educational opportunities for the students. In addition to this, he also highlighted academic aspects, carrier counselling and guidance, mode of examination/assessments, need for regularity and punctuality of the students in online classes, health and well being, online classes and feedback and the recent initiatives of the school for innovation and skill development and general aspects. He also clarified the queries of the parents. The sessions were quite meaningful.
