From the desk of the Principal

Dear Students/Parents,

Education is a life-long process which continues from the birth and offers varied learning opportunities. It includes all experiences, influences and knowledge the individual gains throughout his/her life. All the life of the individual is full of education. So every individual must develop ways of dealing with the world in which he or she lives. It's an important life-long process whereby the individual talents and interests are developed and fostered, thereby giving a sense of certain completeness.

Education helps us develop the sense of right and wrong. It's because education increases awareness. When you're given a choice, if you're aware of all aspects of that choice, you'll be able to take better decision regarding whether to accept the choice or not. It always works in your favour. Education is important for self growth. It offers wisdom.

Education builds human character. Education helps a child learn proper behaviour and right manners. Education helps to develop real men who are going to be responsible for building a society eventually in the future. Education helps us become part of the civilized society.

OPJS-Raigarh always endeavours for the all round development of the learners. We continue with our noble mission in spite of challenges too. We always believe in creating a better world for our young ones with the power of education.

Keep reading and growing!

Best wishes!

"Founder's Day-2021"

...Remembering Bauji

The "Founder's Day-2021" was celebrated at OPJS-Raigarh with lot of enthusiasm. The Principal and staff members offered floral tributes to our beloved Babuji. Various inter school literary and cultural competitions were organized from 3rd to 6th August, 2021 where OPJ Group of Schools and other schools participated. Students from participating schools took part in inter school Hindi debate, essay writing, group song, drawing and painting and web designing competitions which were held online. Our school also undertook different social responsibility programs like tree plantation drive in the campus by staff members, distribution of masks and sanitizers, visiting old age homes and distributing fruits and sweets in the loving memory of our Babuji. The programme culminated with the cultural events held today in the auditorium with staff members cherishing our Babuji's contribution towards the socio-economic and educational development of the society. Our Principal Mr. R. K. Trivedi gave the welcome address and recollected his fond association with Babuji and urged the staff members to work towards realizing Babuji's vision.

Tokyo Olympics OPJS Cheered For Team India

OPJS-Raigarh took the opportunity to extend its hearty wishes to the Team India for Tokyo Olympics-2020. We wished our team all the best and hope that they will bring glories and take the nation's pride to new heights. There would be many exciting sporting moments in the days to come...We hoped India would bag many medals and create history...Cheers for Team India...

Kargil Vijay Diwas

As India celebrated 21 years of Kargil Vijay Diwas, we remembered the valour, sacrifice and exemplary courage of our soldiers. It was on July 26, 1999, that the Indian Army had declared the successful culmination of 'Operation Vijay', declaring a victory after a nearly three-month-long battle on the icy heights of Kargil. OPJS-Raigarh paid tributes to the brave-hearts who fought with great determination in the Kargil War to protect the integrity and sovereignty of our proud nation. We are forever indebted to them for their heroism and indomitable spirit. On this Kargil Vijay Diwas, we joined the nation in offering our homage to the martyrs for their supreme sacrifice. Jai Hind!

International Plastic Bag Free Day 2021

"Aaj Ki Adalat-Part2"

Plastic has no doubt become an integral part of our life. We do blame it for not being environment friendly and charge it with different allegations. However, if plastic had ever taken a stand of its own, what that would have been...OPJS presented a thought-provoking play "Aaj Ki Adalat" enacted by our students and staff members on this day. The International Plastic Bag Free Day is observed on July 3 annually. The day is observed to raise awareness about the grave issues of plastic pollution and the serious threat that it poses to the natural environment ranging from land to marine life. As plastic bags take around 100-500 years to decompose, it creates land pollution as it is dumped in landfills and proves hazardous to the marine animal if gets washed into oceans. So, it becomes

imperative to raise an alarm against the ill effects of single-use plastic bags. International Plastic Bag Free Day aims to promote the use of eco-friendly items such as paper bags or cloth bags instead of plastic bags and get rid of the single-use plastic bags. The play was directed by Mr. Abhinash Sharan.

75th Independence Day

The 75th Independence Day was celebrated in our school with a lot of enthusiasm and patriotic fervor at the backdrop of a lovely weather. Our staff members gathered at the school flag post area and witnessed the spectacular flag hoisting ceremony. The event which was live on Facebook began with an introduction about the significance and auspiciousness of the day. Our Principal

Mr. R.K.Trivedi, hoisted the tricolour followed by the national anthem. Varnika Dhawan, Anshika Gautam and Abhishek Giri students of class XII expressed their opinion about the unity and integrity of our country and the progress made in various domains along with the challenges too, through their thought provoking speeches and poems in Hindi and English. Addressing the staff members and students, our Principal called upon to uphold the spirit of patriotism in our everyday life. He also reminded everyone of their national duties and responsibilities. The vote of thanks was extended by the students. The event was rightly anchored by our students of class XII Arpit Sharan, Ayushi Jha and Yashi Singh.

English Extempore Competition 2021

An extempore is an impromptu speech where the participants are required to be fluent, erudite and articulate. It is a great platform to develop communication skills, critical thinking and time management. The English Extempore Competitions for classes XI and XII were held on 23rd and 24th August, 2021 in online mode by our school. 44 selected students from these classes participated and expressed their eloquent views on different topics in the final round. Addressing the participants on this occasion, Mr. R. K. Trivedi, Our Principal spoke about the importance of language in life. He also asked them to be multilingual and develop broader perspectives.

National Sports Day 2021

On the occasion of National Sports Day and birth anniversary of Major Dhyan Chand, the legendary sportsman and pride of our nation, OPJS-Raigarh paid humble tributes. His sporting achievements continue to inspire generations of sportspersons to excel in games and sports and bring glories to our country. Games and sports teach many important lessons like the values of hard work, discipline, team spirit, commitments, sense of patriotism and above all the indomitable urge to push oneself towards the success and happiness in life. OPJS-Raigarh always believes in imparting holistic education to the learners. Games and sports are the integral part of our curriculum. On National Sports Day, we reaffirmed our commitments of promoting and providing sports opportunities for our sports enthusiasts. Our Principal Mr. R. K. Trivedi, wished happy national sports day to all. Let's play and stay fit in all odds of life.

हिंदी काव्य पाठ प्रतियोगिता

विद्यार्थियों के सर्वांगीण विकास की शृंखला में ओ.पी. जिंदल विद्यालय; रायगढ़ (छग) ने आभासी मंच द्वारा प्राथमिक कक्षाओं (चौथी तथा पांचवीं) के विद्यार्थियों के लिए आभासी हिंदी काव्यपाठ प्रतियोगिता 2021 का सफल आयोजन किया, जिनमें विद्यार्थियों द्वारा राष्ट्र-कवि श्री मैथिलीशरण, सुभद्रा कुमारी चौहान, रामधारी सिंह दिनकर जैसे कई अन्य महान और कालजयी रचनाकारों द्वारा रचित कविताओं का काव्यपाठ किया गया। विद्यार्थियों के काव्यपाठ ने सभी श्रोताओं को भावविभोर कर दिया। कार्यक्रम में विद्यालय के प्राचार्य श्री आर. के. त्रिवेदी जी ने बच्चों के ऊर्जस्वित प्रस्तुति की सराहना करते हुए, हिंदी भाषा की महत्ता पर प्रकाश डाला और बच्चों को सदैव सृजनशील बनने की प्रेरणा दी। प्रधानाध्यापिका, हिंदी विभागाध्यक्षा एवं गतिविधि समन्वयक ने बच्चों की सराहना करते हुए आगामी दिनों में ऐसे कार्यक्रम के आयोजनों के लिए अपनी प्रतिबद्धता जताई।

Teachers' Day 2021

Teachers' Day is celebrated every year on 5th September, 2021 to celebrate the importance of teachers in our lives. It is observed to honour and acknowledge the efforts made by teachers to make our lives better. We celebrate this day annually to commemorate the birth anniversary of renowned scholar, recipient of Bharat Ratna, first Vice-President, and second

President of independent India, Dr. Sarvepalli Radhakrishnan. OPJS-Raigarh celebrated the day virtually. The event was live on Facebook. It began with the formal lighting of the lamp ceremony followed by the floral tributes. The cultural programme with dances and soul stirring songs presented by the teachers was really amazing. Mrs. D. L. Rao, (PGT, English) highlighted the significance of the day. The Head Boy Prabhgun Sing Tuteja and Head Girl Riddhi Dutta expressed their thoughts and gratitude through their speeches. Mr. R. K. Trivedi, the Principal extended his best wishes to the teachers on the occasion. He asked them to continue being the torch bearers and spread the light of knowledge. The event was anchored by Ms. Shatabdi Raj and Ms. Neha Chatterjee.

AISSCE, 2021

OPJS-Raigarh has once again set new milestones on its way with our students coming out with flying colours in the CBSE Class XII Board results announced today. CBSE has implemented the new assessment policy keeping in mind the present covid situation. In spite of the unprecedented pandemic that affected the educational scenario to great extent, our students and teachers could achieve this success because of our focused and well-planned strategies and timely actions. We thank our dear Students, esteemed Parents and School Management for the unflinching trust that made us produce such excellent results. Our Principal Mr. R. K. Trivedi, extended his best wishes to all the students, teachers and parents for their tireless efforts in making it happen.

Our school has once again proved its mettle in the sports arena too with the brilliant performances of our students. Mr. R. K.

Trivedi, our Principal extended his best wishes to our teams. He expressed that such sporting event would boost up the morale of the students and make them confident to choose sports as career.

IAYP Gold Award

23 Gold Level participants of O. P. Jindal School, Raigarh, successfully completed their Award Journey and were selected for the International Award for Young People Gold Award, 2021.

People Gold Award, 2021. Our students were honoured with the Award during the Virtual Annual Gold Award Ceremony held in August, 2021. The ceremony was graced by HRH the Earl of Wessex, Chair of the Duke of Edinburgh's International Award Foundation, and John May, Secretary General, the Duke of Edinburgh's International Award Worldwide. The recipients of the God Award, 2021 were officially conferred with the Certificates and Badges by the Principal Mr. R. K. Trivedi in our school on 25th August, 2021. It is noteworthy that 14 participants of our school have completed their silver level and 48 participants have completed their bronze level this year. The aim of this award programme is to motivate young people aged between 14 and 25 years to become involved in a balanced programme of voluntary self-development activities to take them through the potentially difficult period between adolescence and adulthood. The Principal Mr R. K. Trivedi wished them good luck for their future endeavours.

ACTIVITIES CONDUCTED IN PPW

Global Tiger Day was observed on 29th July 2021 to raise awareness about the declining population of Tigers due to habitat loss and poaching. Children were sensitized about the endangered species all around the world. The aim of the day was to help and promote various Tiger reserves or the project Tigers.

World Elephant Day was observed on August 12 to raise awareness about the issues threatening elephants. Children were made aware about the importance of elephants in our ecosystem.

Swinging Pendulum Activity OPJS focuses on fundamental learning with deeper understanding, where the learner achieves the content standards during their daily learning opportunities in the classroom. A swinging pendulum activity was

conducted for the students of Class 1 to explain them the concept of the back and forth movement of a swing and to develop a scientific temperament among the students. This was integrated with Lesson 1 Hindi, "Jhula".

Counselling on Safety at Home - Safety of children cannot be overlooked. There are various aspects that need to be addressed to ensure that home is a safer place for the kids.

To ensure safety at home, children were given few tips so that they can avoid accidents or injuries. Children need to follow certain safety rules when they stay alone at home.

Counselling on Good Behaviour – Manners create a sensitive awareness of the feelings of others and convey a sense of respect for others too. OPJS believes in nurturing and creating a sense of awareness among the students for which a counselling session was conducted on the importance of good behaviour.

Counselling on Fire Safety – A counselling session was held on fire safety, in regard to fire prevention and fire protection. Children were given safety tips to avoid and escape from such situations as carelessness is the biggest cause of fire. Never Hide, Stay Outside. Be Alert and Avert Fire.

Counselling Session on Safely Handling of Gadgets – In this digital era, the usages of gadgets have not only become very common but have become an integral part of life. Keeping this in view, a counselling session was held on safe handling of gadgets.

Fancy Dress Show of Class I A & B – Scholastic and Co scholastic activities are equally important for the overall development of a child. Keeping this in mind, a fancy dress show was held for the students of Class I. Children were asked to represent the state *Rajasthan*. The purpose of this show was not only to blend learning with fun but also to develop confidence in the students.

National Reading Day - OPJS celebrated 25th edition of National Reading Day on June 19 to honour the life and work of P. N Panicker, a teacher from Kerala. Our tiny tots of Pre Primary wing have shown great enthusiasm towards reading. 'Today a reader, tomorrow a leader'.

National Nutrition Week - Children of Pre Primary Wing observed National Nutrition Week from 1st to 7th September 2021 to spread awareness of the importance of nutritional food and health.. People should include healthy diet in their daily routine like whole grains, fruits and vegetables which not only help us to grow but also boosts our immune system and keep us strong. The theme for National Nutrition Week 2021 is *Feeding smart right from start*.

Good Manners and Etiquette Week - Learning Good manners and Etiquette Week was observed for the children of class Nur. KG and Class I. Good manners are about respecting yourself and others too. It shows that you value the feelings of others. Teachers of Pre Primary Wing taught their children the importance and usage of 5 Magic words and to be helpful, polite and humble to all.

British Council International Dimension in Schools-A Report

The IDS activities are planned and undertaken as part of the British Council International Dimension in Schools programme which celebrates a school's effort to include international work as part of their curriculum and helps embed it within the school's culture. The programme supports schools in completing collaborative, curriculum-based work with a number of international partner schools and involvement of the wider community.

During the session 2021-22, OPJS, Raigarh conducted 7 curriculum activities for students of class Nursery to X spanning a range of subjects and curricular topics. The activities provided scope to the students to enhance their deep learning skills like communication, collaboration, critical thinking, creativity, character and global citizenship. All the 7 activities raised concerns about important world issues and were mapped to the UN Sustainable Development Goals. The following Curriculum Activities were designed and undertaken as part of the IDS Programme 2021-2022 under the guidance of our Principal Mr. R. K. Trivedi. Our British Council IDS Coordinator Mrs. Preeti Kalita Acharya coordinated all the events along with a team of teachers.

IDS Curriculum Activity- 1 : Food on My Plate

'Be Vocal for Local', is the slogan of IDS project 'Food on My Plate'. The teachers responsible for this activity are Mrs Neeta Mohla (PL), Mrs Munmun Chowdhury (PL), Mrs Vijay Lakshmi Pandey, Mrs Varsha Motwani and Mr Jagmohan Patel. The sub-activities were conducted in June, July, August and October. Students of class II and III studied the dietary patterns of communities in India, Nepal and France to understand the impact of their choice of food on local communities. They adapted their food choices to sources of crops that are grown by local farmers as conceived in UNGA's SDG 11 'Sustainable Cities and Communities'. They worked on this mission by engaging in activities spanning their curricular subjects of Science, Maths, Hindi, English and Music and Art. Students initiated the project with a survey on dietary patterns of crops grown in India, Nepal and France and interacted with local farmers during their online classes to understand their struggles. This sensitization drive was then applied to work out an 'Action Plan' for sustainable development of their communities. Supported by their families, the students applied their imagination and creativity to invent fusion recipes inspired from those used by communities internationally. To fulfil the aim of supporting the farmers, they ensured only local ingredients were used in these fusion recipes. These recipes were shared in the Class WhatsApp groups and in a virtual exhibition that was viewed and adopted by the local communities.

The project concluded with a 'Thanks Giving Assembly' for the farmers and a pledge to switch to consumption of locally grown crops.

IDS Curriculum Activity- 2 : Wholesome Health

'Wholesome health is the first requisite of happiness'

'Wholesome Health' is a curriculum activity meant for students of class IV and mapped to the UN SDG 3- 'Good Health and Well Being'. The activity was conducted by Ms Priyanka Pandey (PL), Mrs ShailSharma (PL), Mrs Manju Gupta and Ms Urvashi Lal. Through this activity, the students were made aware of healthy habits like eating healthy, maintaining personal hygiene and indulging in physical activities for overall health and well-being. They also learnt about the common communicable diseases in India, Nepal and Ghana and ways to prevent them. The students were involved throughout the session in interesting activities which made them focus on how they can improve their present life style. The students also understood the importance of hand washing and promoted handwashing among their peers and at home. They enhanced their analytical skills by studying about the common communicable diseases in India, Nepal and Ghana and the ways to prevent them.

The exposure to activities like '30 Days Wellness Challenge' gave the students an opportunity to be healthy. During the activity, the students were given a scope to show their creativity in slogan writing, paragraph writing and poster making. Fun-filled activities like yoga, and other physical activities helped the students to develop an appreciation for good health and well-being and switch over from unhealthy to healthier practices. They were motivated to follow an active lifestyle and grow into healthy citizens.

IDS Curriculum Activity- 3 : Drop of Life

The IDS Curriculum Activity 'Drop of Life' is mapped to the UN SDG 6- 'Clean Water and Sanitation'. The project leaders for this activity are Ms Shiba Sultana (PL), Monisha Sreejit (PL), Mrs Nidhi Sharma, and Dr Monika Tripathi. This activity has been undertaken by the students of Classes VI & X. The aim of this activity is to help students learn about the importance of clean water and sanitation and the sources of water supply in India, Ghana & Egypt. The students also learnt about the various diseases caused due to lack of clean water and poor sanitation and how they can be prevented. This activity is integrated with the curricular topics of Social Science, Science, Maths, English, ICT & Art & Craft.

By the end of the activity, the students will gain knowledge about the different methods adopted during filtration of water for human consumption. They will develop their critical thinking skills, creativity and digital literacy skill. They will have an attitude of consuming clean water and practice proper sanitation in their daily life.

IDS Curriculum Activity-4 : Be A Buddy, Not A Bully

The primary aim of the activity 'Be A Buddy, Not A Bully' mapped to UN SDG 16- 'Peace, Justice & Strong Institutions' is to sensitize students of classes VII & VIII about the kinds of behaviour that is categorized as bullying and encourage them to act against it thereby helping them to grow into responsible citizens. The project aims at the establishment of peace and justice in context to school systems in India, Pakistan and Ghana. The subjects that have been covered are English, Social Science, Math, Music and Art & Craft. The teachers responsible for this curriculum activity are Ms Baishalika Dhara (PL), Mrs Monisha Shreejit, Mrs Sujata Banerjee and Mr. G.D. Mahant.

During the course of the activity, the students gained knowledge about bullying, upstander and bystander, the ill-effects of bullying and the students affected by bullying across the countries mentioned above. The students enhanced their critical thinking, communication and collaboration skills, student leadership and digital literacy. The students developed an

attitude of respect towards their mates irrespective of gender, caste, creed, colour, race, language and religion and gained the confidence to stand up against violence occurring around them.

Bullying in India

Category	Percentage
Classmate	45%
Teacher	15%
Parent	10%
Peer	10%
Other	10%
Total	100%

Upstander and Bystander

- An Upstander is someone who goes out of their way to help others and is willing to speak up for a victim.
- An Upstander is someone who can take action to stop or prevent a bully from hurting another person.
- A Bystander is someone who witnesses bullying in progress but does nothing to help or act as an upstander.
- Bystanders who laugh at or enjoy watching others get bullied are more likely to be bullies themselves.

CYBER BULLYING

The Cyber Bullying Research Centre defines cyberbullying as: intentional and repeated harm inflicted through the use of computers, phones, and other electronic devices.

Cyberbullying can be used or used by bullies to harass, intimidate, threaten, or damage others using digital technologies including hardware such as computers and smartphones, and software such as social media, instant messaging, texts, websites and other online platforms. Cyberbullying can happen at any time. It can be in public or in private and sometimes only known to the target and the person bullying.

IDS Curriculum Activity- 5 : Know About Ocean Lives

'Know About Ocean Lives' is a curriculum activity designed for students of classes Nursery to I and is mapped to the UN SDG 14- 'Life Below Water'. The teachers responsible for this activity are Mrs Sujata Bhattacharjee (PL), Mrs Melvin Choubey (PL), Mrs Meena Agrawal

and Mrs Vinita Garg. The primary aim of this activity was to develop an appreciation for life under water and also to create an awareness about the impact of human actions on under water-life. The students were able to identify the underwater creatures found in India, Thailand and Ghana and also pledged to refrain from polluting water bodies in order to help the water animals survive. The activities designed for the project were age appropriate for the young learners and are multi-sensory in nature to cater to different kinds of learners. During this activity the students watched an A/V, indulged in drawing, origami, sorting, slogan writing and fancy dress all aimed towards developing a sense of appreciation for underwater life and creating responsible citizens. The students also made comparative study of water animals available in India, Ghana and Thailand through a worksheet provided by the teacher. The students participated in a video conferencing session with our partner school from Ghana, in which our students communicated with their partner school friends and discussed about how to save lives below the water. The subjects covered in this curriculum activity are English, Science, Social Science, Art & Craft & ICT.

IDS Curriculum Activity- 6 : Crash Your Trash

'Crash Your Trash' was executed under Mrs Reema Patel (PL), Mrs Mahasweta Patra (PL), Mrs Preeti Suman Bhagat and Mrs Swechchha Pandey. The primary aim of this activity undertaken by students of class IV is to compare the waste generated on an average by the students and the management practices in the schools of India versus the practices going on in the schools at Egypt and UK/Nepal. Mapped to the UN SDG 12- 'Responsible Consumption and Production' and SDG 17- 'Partnership for the Goals' this activity is aimed to help students explore about their ecological footprint and act on the measures to reduce their footprint.

Waste generation has been the prime cause for the deterioration of quality of land and water. It is affecting the life cycle of living beings and slowly creating a danger for the existence of life. Therefore, this activity has been framed to aware the new generation with this issue and to help them understand that waste could be used in a better way.

This activity helped the students acquire knowledge about waste generation, segregation and management practices in India, Egypt, UK/Nepal. While on task, the students were able to think critically and enhance their creativity and imagination, communication and

leadership skills. They were able to differentiate between biodegradable and non-biodegradable waste and learn to recycle biodegradable waste into compost. The students developed an attitude of responsible consumption and collaborated with the partner school in UK and Egypt to devise ways to reduce their ecological footprint.

IDS Curriculum Activity- 7 : Time to Act

"We have a single mission: to protect and hand on the planet to the next generation." Climate change is the current rapid warming of the Earth's climate caused by human activity. The world has been experiencing changes in climate, affecting millions of lives. The IDS Curriculum Activity 'Time to Act' mapped to UN SDG 13- 'Climate Action' focuses on sensitizing students about proper utilisation of resources with a special focus on atmosphere and water and develop their skills to deal with climate change and its consequences. The students will study the impact of climate change in India, France and Pakistan and the steps that can be taken for proper utilisation of resources. Mrs Madhavi Sharma (PL), Mrs Nivedita Singh (PL), Mrs Nidhi Sharma, Mrs Sangeeta Das, Mrs Monisha Shreejit and Mrs Pushpa Patel are the project leaders of this curriculum activity.

The students will learn about responsible consumption of water, global warming- its causes and adverse effects and ways to combat it. The students will be able to enhance their critical thinking and problem-solving skills, communication and collaboration, ICT and leadership skills. The students will be more responsible and sensitive towards the utilisation of resources and will adopt various methods to reduce the level of temperature in their daily lives. They will also develop a sense of respect towards nature and will become self-

disciplined and self-reliant. This activity will be undertaken in collaboration with our partner school in France. The students of both the schools will conduct a survey about the units of water consumed and the variations in temperature in the atmosphere of the chosen countries to raise awareness about the issues and invite discussion for resolution during the video conference. They will carry out a plantation drive and appoint monitors to supervise the wastage of electricity in school and at home. They will frame an 'Oath Chart' to chalk out some rules for themselves to be adopted in their daily lives. They will then share their work through email/common blog. The evaluation will be done through questionnaire based on case studies.

Our Principal @RKTrivedi5
recollected the courage and
bravery of #1971WarHeroes
and highlighted the
significance of the day, in his
welcome address. The
beautifully orchestrated
school band along with 28
CG NCC Battalion was a
sight to behold.
