More than one day's sick leave must be accompanied with a medical certificate. Not more than three days leave may be granted at a time in one month if the month has working days in full. But, if a particular month has less than 26 working days the number of leaves for which a student is entitled may be reduced on pro rata basis for that particular month. A student will be marked absent if he/she does not report to his/her class teacher five minutes before the 'First Bell'.

2. Leave for half-day or only one day can be processed through the school almanac (page nos. 63, 64), duly signed by the Parent/Guardian. Leave for more than one day must be processed in the form of a hand-written application submitted by the Parent/Guardian.
