

Mrs. Leena Chacko, the Vice Principal of our school is a sophisticated educator with more than two decades of rich experience in the field of education. She has Master degrees in English and Commerce. Her professional profile includes a B.Ed degree and PGCTE from English and Foreign Languages University (formerly CIEFL). She is an eloquent speaker, counsellor and teacher trainer. Her conviction and passion is to promote the academic, emotional and social wellbeing of all pupils under her care and she believes in working in synergy with the parent community as well as her colleagues. She is the recipient of 'Educator of the Year Award' conferred by OPJS-Raigarh and "Best Teacher Award" by various other organisations. She is also an ISO certified Auditor. She worked in the school in various positions with a proven track record. She is an excellent administrator, meticulous planner and team player and believes in working towards the well-being of the school and its students. Her job profile includes general academic administration, annual curriculum planning, language development, action plan, teacher evaluation, counselling, discipline, innovation in teaching and evaluation, skill development, time table preparation and many more. Throughout her career as an educational leader, her primary focus has been on planning, preparing and delivering instructional activities which create an environment where children are actively engaged in the rich and meaningful learning experience.
