Sub : Regarding Online Payment of fees

Dear Parent,
Greetings!

In our endeavour to make the payment of school fees absolutely hassle-free, we are pleased to inform you that we have introduced the system of online payment of school fees through the website of our school. For the purpose, **you are expected** to be a user of **Net banking** (Credit Card/Debit Card facility may be made available soon). The **Log-in ID** and the **Password** of your ward will be as under:

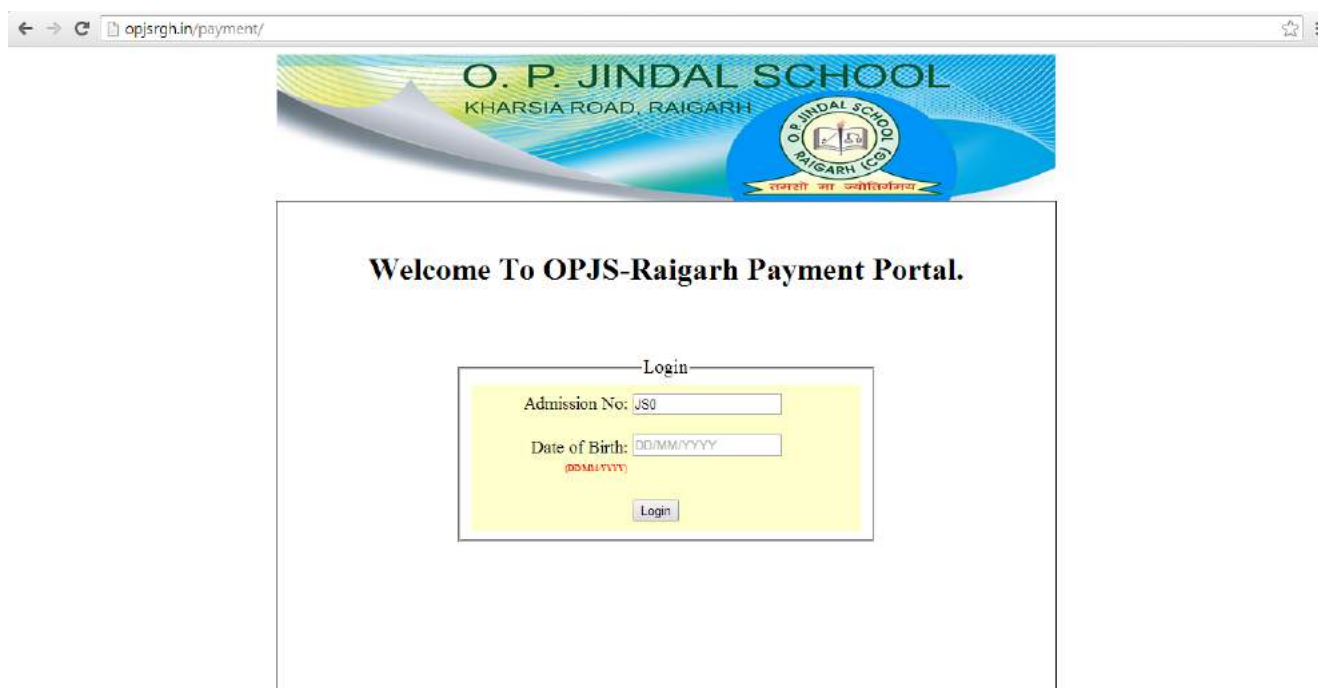

Log in ID	The Admission No.(7-digits i.e.JS0XXXX)
Password	the 10-digits Date of Birth of the student i.e. 1 st Feb. 1998 will be written as 01/02/1998

Steps to be followed for Online fee payment through the school website:

- 1) Visit our school website (www.opjsrgh.in)

- 2) Click **Online Fee payment** at the Home Page and you will get the LOGIN screen.

- 3) Enter the **Admission Number** and the **Date of Birth** of the student and click on Login Button.
(It may please be noted that the third character of the admission no is '**0**' zero **not** the alphabet '**O**' and the date of birth to filled with 0 if required for the single digit date or month .For example: Date of birth is 6th June 2003 then it should filled as 06/06/2003)
As you do so, the following screen will appear:

INTERNET BANKING

- As a payment option the customer will be redirected to the login screen of the destination bank hosted on the respective bank’s web server.

- Customer will enter his internet Banking User ID and login password.
- Payment amount is displayed and the customer has to enter his transaction password.
- Customer's account gets debited online. The status is then given to 'TECHPRO INSTANT PAY' which will then be forwarded to the merchant

CREDIT CARD/DEBIT CARD

- The customer will be redirected to the transaction page hosted on the Acquiring Bank's web server.
- Here the card holder will enter his VISA/Master card details like card number, expiry date, CVV number on the respective acquiring bank page
- Customer is redirected to second level authentication on respective issuing bank page i.e. VBV or MSC
- Acquiring Bank will pass on the TXN status to TECHNO INSTANT PAY via a digital receipt. TECHPRO INSTANT PAY (TIP) will then pass on the same information to the merchant.

REFUND

In case of failed transaction, the refund settlement will be executed on T (Transaction) date +2 days by the Sub Merchant.

Security Features

- Customers place their credit card numbers and bank account details directly onto the secure web page provided by the acquiring bank and the net banking interfaces provided by the respective banks.
- TSPL server guarantees that the information is inaccessible to any third party.
- TSPL uses industry standard SSL (Secure Socket Layer) Technology which is used worldwide for the data encryption.

Advantages:

- 1) It will give access to multiple banks, credit cards and debit card which will reduce the time and effort required to tie up directly with the banks and credit card gateway.
- 2) It offers a completely online, real time solution on a reliable Internet payment platform.

With warm regards,
