JR. RED CROSS ACTIVITES

“Serve the Mankind” is the motto and the core idea of this motto is Service. Over the years, community service has occupied a prominent status increasingly at OPJS. As service grew, Jr. Red Cross Society was created to collaborate the efforts of service clubs and ensure the dedicated service at our prestigious institution. Bylaws were created to mandate the responsibilities of the service clubs in the school that range from teaching underprivileged children, empowering women, providing health care, and interacting with disabled and sick people, to help making Raigarh and OPJS more green, advocating for human rights, for equality and acceptance for all. The Jr. Red Cross Society of our school makes every student to be a part of philanthropic activities and enhance the lives of people in our community

SELF DEFENCE WORKSHOP FOR GIRLS

Self defence is the act of protecting oneself, one’s property or well being against any attack or threat. Our vision is to raise a generation where girls are empowered, equipped and fulfilled in every aspect of their life for the benefit of the entire world. For this, the FITCOMB initiated the venture of self protection programme for girls of classes VIII to XII. The girls were trained on how to protect themselves in ghastly situations when they are molested or face the violent behaviour by the society.

JR. RED CROSS ACTIVITES

VISIT TO THE VILLAGE

A very vibrant group of students and the members of International Award for Young People and Jr. Red Cross Society along with teachers visited khairpur village in order to create awareness among the villagers regarding the harmful effects of tobacco. They were made aware of various deadly disease caused by smoking and chewing tobacco through eye-opening banners and other audio-visual teaching aids. The students made the optimum utilization of their time and resources to enlighten the villagers. It was a great bearing experience for the participants.

ANTI TOBACCO CAMPAIGN

The UNESCO club members remain associated with a number of community reach programmes. The club members of the school interacted with the support staff of the school and the people of the nearby areas and made them aware about de-addiction & healthy food habits. They were briefed on the topics like nutritious diet, harmful effects of alcohol & drugs. Every year UNESCO club members try to create awareness about this emerging epidemic by highlighting the ill effects of tobacco consumption.

JR. RED CROSS ACTIVITES

VISIT TO THE OLDAGE HOME & ORPHANAGES

The enthusiastic members of IAYP along with the teachers of our school visited Missionaries of Charity Mother Teresa Nirmal Hriday Home on 9.01.14 with a noble mission of service to donate a sewing machine and praiseworthy gifts as a token of their love to the inmates. It was a small gesture shown by the members of IAYP.

COMMUNITY SERVICE PROGRAMME

A visit to Khairpur village was organized as a part of community service by the UNESCO club members. As a part of this programme, a 'Nukkad Natak' (street play) was staged in the village, wherein a group of teachers and students actively participated. The theme of the play was 'Girl Child Education'. Later on, the students interacted with the head of the village who shared about the needs of his village and threw light on the status of education in his village.

JR. RED CROSS ACTIVITES

VISIT TO VILLAGES: CREATING AWARENESS ABOUT WOMEN LITERACY

An outdoor activity was conducted to create an awareness campaign amongst the women of the surrounding areas where the students made them aware of the importance of women literacy. A skit was also staged to make the community aware about the fact that **“Girls are the spirit of the nation”**.

ON THE MISSION OF SANITATION AND HEALTH

The students visited Khairpur, a nearby village, and asked the residents about the number of members in the family and the health conditions. The students told them the importance of clean drinking water, family nutrition, education and cleanliness of the surroundings. The aim of the programme was to improve the availability of and access to quality health care by people, especially for those residing in rural areas, the poor women and children to improve the quality of life of the masses.

JR. RED CROSS ACTIVITES

HEALTH AWARENESS PROGRAMME ORGANIZED BY NDTV & FORTIS JINDAL

In order to create awareness among the students, NDTV and Fortis Jindal Hospital collectively organized a brain storming session on the World Cancer Day. The programme included speeches poems, quiz and a power point presentation based on deadly disease, it causes and prevention.

VISIT TO HOSPITAL

OPJS students visited Fortis Jindal Hospital displaying the qualities of empathy and compassion for the ailing. They interacted with patients and inquired about their health.

JR. RED CROSS ACTIVITES

CAMPAIGN AGAINST CHILD LABOUR

A group of around 30 students along with a group of teachers ventured into the city of Raigarh to create an awareness against child labour. The groups went to different shops and interacted with the shopkeepers giving the message that child labour is a crime and that every child has the right to education. The shopkeepers were also given a sticker with the message- "There is no child labour in our work place". Many of the shopkeepers willingly and enthusiastically stuck the stickers in their shop to support our mission.

YOGA FOR GOOD HEALTH

The real secret of life lies in good health and yoga is the way to enjoy the bliss of good health. Our students are taught yogic exercises to keep themselves fit and fine.

JR. RED CROSS ACTIVITIES

HEALTH TALKS

Under the noble mission of good health to all, we frequently conduct many health talks based on the issues of prevention is better than cure, to create awareness against the deadly diseases like aids etc. Many eminent doctors and counselors pay visit to our school to enlighten the students at regular intervals..

HOBBY CLASSES FOR STUDENTS

Hobby classes like playing football, basketball, badminton and volley ball, aerobics training, horse riding and art and painting, craft are conducted in the school to prepare the students for their future life.
