

## “Swachhata Awareness day”

A clean India would be the best tribute India could pay to Mahatma Gandhi on his 150th birth anniversary in 2019. The “Swachh Bharat Abhiyan” is the most significant cleanliness campaign by the Government of India.

On the occasion of commemorating the 150th anniversary of Mahatma Gandhi, a cleanliness drive was conducted in the Pre-Primary classes of our school on 3<sup>rd</sup> September, 2019 in which the kids were made aware of their personal hygiene and the importance of keeping their surrounding clean. They were also taught about self reliance. In this regard, they were given small pieces of clothes and were asked to clean the desks and benches where they sit. They were told to keep their pencil box, tiffin-box and their uniform clean. As an activity, they were asked to draw their ideas of cleanliness on a piece of paper with the slogans they would prefer to write. Students participated with great enthusiasm. A sense of responsibility has been evoked among the students through this activity. It was a great learning experience for our young learners.

A few glimpses of this activity-
