

## SWACHCHATA SCHOOL EXHIBITION DAY -REPORT

O.P.Jindal school, Raigarh organised “SWACHCHATA SCHOOL EXHIBITION DAY” on 31<sup>st</sup> August, 2019. The students of Nehru, Raman and Tagore Houses participated very enthusiastically in various activities related to Swachchata Abhiyaan, Water conservation and environmental protection. They conveyed that these are the threats to life on planet earth. Through their activities they suggested remedies to these problems which a common man can easily follow.

A live concert of bhajans was held at one corner to mark the 150<sup>th</sup> birth anniversary of Mahatma Gandhi and to highlight “Swachchata” as a basic principle of Bapu.

Our students explained the importance of Water Conservation through models. They wanted to show that if we don't save water now, water would not be available for drinking by 2050.

Our students also conveyed the message of afforestation and environment protection through their drawings and paintings. They depicted the threat of Global Warming in the future.

In addition to this, our students conveyed the importance of cleanliness of our surroundings and the necessity of saving water for future, through the impactful Rangoli.

All the exhibits were so colourful and well decorated that the entire environment seemed positively charged. All the spectators appreciated the efforts of the school and students in drawing the attention of the society towards such major social issues.
