About our School

The O. P. Jindal School, Raigarh (OPJS, Raigarh), patronized by Jindal Steel & Power, Raigarh, has from its beginning been dedicated to educational transformation in the society. A post-graduate from the University of Texas, Mr. Naveen Jindal, our inspiring Chairman, mentor, multifarious business baron, sportsman and illustrious industrialist, is always keen in improving the educational standards of the society wherever his business is established.

The primary purpose of establishing O. P. Jindal School, Raigarh, is to cater to the educational needs of not only the wards of JSP employees but also those in the peripheral areas of the JSP plant.

OPJS, Raigarh, plays a pivotal role in providing quality education and has emerged as a force of social transformation, making a difference in the lives of rural India. **It contributes significantly to the field of quality education in its areas of operation, turning millions of dreams into reality despite various challenges.**

Following the vision of our revered Babuji, we continue to reach out to the masses, setting numerous milestones on our glorious journey and fulfilling our role in nation-building.

OPJS-Raigarh was established in **February, 1996** with an initial enrolment of **86 students and 4 staff members**, located within the temple complex of JSP-Colony.

Thereafter, with the blessings of Rev. Babu ji (Shri. Om Prakash Jindal Ji), the clement patron-ship of Shri Naveen Jindal Ji and Smt. Shallu Jindal Ji and the infallible co-operation of the management, the new school building were constructed. The session 2001-2002 was a remarkable year in the history of the school, we received CBSE affiliation in the year 2001.

Since then, the school has taken on an enormous shape and rigorously practiced a sustainable model. Today, OPJS Raigarh stands tall and invincible, driven by a hardworking and dedicated team.

Nestled in a sprawling 31-acre lush green campus near JSPL, Raigarh, our institution stands as a beacon of quality education and holistic development. With a committed team of over 350 education professionals, we proudly serve more than 5,700 students, guided by a vision to nurture future-ready global citizens.

Affiliated with CBSE our school has consistently demonstrated excellence in both academic and operational domains. Our quality framework has earned us the **International School Award** from the British Council for five consecutive terms and **UNESCO ASP-net accreditation**, underscoring our global outlook and commitment to continuous improvement.

In our 29 years of dedicated educational service, we have emerged as one of the premier institutions in Central India. Our dynamic curriculum offers **25+ subjects**, promoting interdisciplinary learning and critical thinking. We are a recognized **CBSE Hub of Learning** and a proud **Member of the National Progressive Schools' Conference (NPSC)**.

The school has received accolades such as:

This prestigious event highlighted their exceptional leadership, teamwork and critical thinking skills as they actively engaged in debates, discussions and the drafting of resolutions on key global issues.

As part of our commitment to social responsibility, we organized various events such as the International Day for Older Persons, where we felicitated elderly individuals from diverse backgrounds. We also promote human values through dedicated initiatives, including visits to orphanages and old-age homes, educational excursions, the celebration of Gratitude Day, and observances of global days related to Sustainable Development Goals, CBSE initiatives, and Safety Awareness. Our primary focus remains on fostering inclusive education for all.
