About our School

The O. P. Jindal School, Raigarh (OPJS, Raigarh), patronized by Jindal Steel & Power, Raigarh, has from its beginning been dedicated to educational transformation in the society. A post-graduate from the University of Texas, Mr. Naveen Jindal, our inspiring Chairman, mentor, multifarious business baron, sportsman and illustrious industrialist, is always keen in improving the educational standards of the society wherever his business is established.

The primary purpose of establishing O. P. Jindal School, Raigarh, is to cater to the educational needs of not only the wards of JSP employees but also those in the peripheral areas of the JSP plant.

OPJS, Raigarh, plays a pivotal role in providing quality education and has emerged as a force of social transformation, making a difference in the lives of rural India. **It contributes significantly to the field of quality education in its areas of operation, turning millions of dreams into reality despite various challenges.**

Following the vision of our revered Babuji, we continue to reach out to the masses, setting numerous milestones on our glorious journey and fulfilling our role in nation-building.

OPJS-Raigarh was established in **February, 1996** with an initial enrolment of **86 students and 4 staff members**, located within the temple complex of JSP-Colony.

Thereafter, with the blessings of Rev. Babu ji (Shri. Om Prakash Jindal Ji), the clement patron-ship of Shri Naveen Jindal Ji and Smt. Shallu Jindal Ji and the infallible co-operation of the management, the new school building were constructed. The session 2001-2002 was a remarkable year in the history of the school, we received CBSE affiliation in the year 2001.

Since then, the school has taken on an enormous shape and rigorously practiced a sustainable model. Today, OPJS Raigarh stands tall and invincible, driven by a hardworking and dedicated team.

Nestled in a sprawling 31-acre lush green campus near JSPL, Raigarh, our institution stands as a beacon of quality education and holistic development. With a committed team of over 350 education professionals, we proudly serve more than 5,700 students, guided by a vision to nurture future-ready global citizens.

Affiliated with CBSE our school has consistently demonstrated excellence in both academic and operational domains. Our quality framework has earned us the **International School Award** from the British Council for five consecutive terms and **UNESCO ASP-net accreditation**, underscoring our global outlook and commitment to continuous improvement.

In our 30 years of dedicated educational service, we have emerged as one of the premier institutions in Central India. Our dynamic curriculum offers **28+ subjects**, promoting interdisciplinary learning and critical thinking. We are a recognized **CBSE Hub of Learning** and a proud **Member of the National Progressive Schools' Conference (NPSC)**.

The school has received accolades such as:

- Green School Initiative Award (eLets India) – Twice
- PCRA Award for Sustainability
- National Financial Literacy Assessment Test (NFLAT-SEBI) Award
- National Operator License from IAYP (International Award for Young People)
- Winner of the Education Excellence Award 2025, Chhattisgarh

Our educational philosophy centers on individual student growth—cultivating intellectual capacity, character and compassion. Through international collaborations and celebration of global observances, we embed **International Dimension in School (IDS)** and foster intercultural awareness.

We believe education is a powerful tool for **nation-building**, and we align ourselves with initiatives that promote **leadership, innovation, environmental stewardship and community service**.
