

The Pre – Primary Wing of OPJS has been the reflection of holistic education and personality development of children. Classrooms and corridors are filled with giggles and laughter all day, long.

About the Wing:

The Pre- Primary wing comprises of three classes i.e. Nursery, KG and Class-I. The Nursery Sections have been named after flowers:

Orchid, Lotus, Rose, Sunflower, Jasmine, Lily and Tulip.

Class KG and First have 9 (A-J) and 11 (A-L) sections respectively.

Our Features:

Our little learners are provided with a very endearing and homely atmosphere under the care and supervision of around 30 dedicated teachers. The pedagogy is a combination of the Montessori teaching methodology and Frobel’s play - way method of teaching.

We follow a balanced, child – centric and integrated curriculum. Self-designed activity based teaching - learning makes the experience of learning joyful. Through inclusive education, the children learn to be courteous and considerate towards friends, family and teachers.

Knowledge of healthy habits helps students to enjoy healthy life. The activities are designed to teach them to be inquisitive and capable of exploring the possibilities of learning. A very well-defined language development programme helps them to learn the art of comprehensive speaking. We are committed to providing the best practices in Early Childhood Education towards the finest preparation for higher education.
