

PERIODIC TEST - 4, 2018-19

ENGLISH

Time – 1:30 hrs.

Class - III

M.M. – 40

Name of the student _____ Section _____ Date-04.02.2019 (Monday)

SECTION – A (Reading)

Read the passage carefully and answer the questions given below. (5)

The leopard belongs to the cat family. It lives in bushes and forests. The leopard has short legs with a long body and a large, round head. It has yellow or brown fur with dark spots on it. These spots can be round or square in shape. A leopard's tail is almost as long as its body.

A leopard usually hunts at night. It can run very fast. It can also swim very well. The leopard is a very good climber. It often rest on tree branches during the day. It is a carnivorous animal. It eats large animals like deer and antelope as well as small animals, birds and fish. A baby leopard is called a cub.
