UNSEEN COMPREHENSION

Parents are a great gift in one's life. I cannot imagine my life without them. They are very loving and care for me always. My father is Sanjay Pal and my mother is Sarbani Devi. My father is an architect and is a great designer. He is a very kind and hard-working person. He loves me very much and takes care of all my needs. Sometimes he brings beautiful gifts for me. He takes me out and fills my life with happiness and joy. He even teaches me at home and helps me complete my homework. My mother is a homemaker and is very caring too. She takes great care of the house and cooks tasty food for all of us. She takes me to school in the morning and to the park in the evening. She tells me interesting stories at bedtime. I am very dear to my parents. I love and respect them very much too. I do not know what to do without my parents. When I grow up I too will take care of them.
