A. READING COMPREHENSION

ALL ABOUT THE STORY

TITLE: The Elves and the Shoemaker

PEOPLE: shoemaker, shoemaker's wife, a rich merchant, two elves, two rich clients

SETTING: The shoemaker's workroom

PROBLEM: The shoemaker was willing to work hard he could not earn money to buy even enough food to eat.

SOLUTION: The shoe maker saved to make a pair of shoes. He cut the leather and went to sleep. Next morning, he found somebody had prepared a beautiful pair of fancy shoes of the leather. A rich merchant bought the pair at a handsome price. The same happened every night with the shoemaker buying more and more leather and somebody making more pairs of shoes. In this way the shoemaker prospered and became rich.

ENDING: The shoe maker decided to find out who was helping him. He and his wife found out it was two elves, who were dressed in torn clothes. They felt very grateful and made little clothes for them. The elves took the clothes happily and never came back again.
