UNSEEN COMPREHENSION

Lily and her brother Ryaan went camping with their mom and dad. Ryan and Dad set up the tent while Lily and mom collected sticks to start a bonfire.

Once the tent was set up, they started a fire in the bonfire pit. Lily and Ryaan looked for long pointed sticks to use for cooking hot dogs over the fire while the fire was heating up. They found four perfect sticks. One for each of them.

Lily and Ryaan, and their mom and dad, each placed two hot dogs on their sticks. They held the hot dogs over the fire and turned the sticks slowly so every side of each hot dog was cooked. Then they put the hot dogs into buns and added ketchup and mustard. The hot dogs were delicious.

Read the above passage and tick the right answer.

1. What did Lily and Mom do while Rayan and Dad set up the tent?
