SUBJECT - English	Class - IV
Time – 3 hrs.	MM - 80

Section-(Reading) 18 Marks

Q1. Read the passage carefully and answer the following questions:

Arjun loved visiting his uncle's farm during the holidays. One morning, he woke up early to explore the fields. The air smelled fresh, and the grass was still covered with tiny drops of dew. As he walked, Arjun saw a group of ducks swimming in a small pond. Their quacking made him smile.

A little further, he noticed a scarecrow standing tall in the middle of the field. Arjun touched its hat and laughed because it looked almost like a real person. Suddenly, he heard the sound of a tractor. His uncle was ploughing the field for the new crops. Arjun waved at him and watched the soil turning dark and soft. He felt happy to learn how much hard work goes into farming.

Q2. Ravi was excited because his school was organizing a Nature Walk. Early in the morning, he reached school with his water bottle and cap. All the students walked together with their teachers to a nearby park. The park was filled with tall trees, colorful flowers, and chirping birds.

As they walked, Ravi noticed a small squirrel running up a tree. He also saw butterflies flying from one flower to another. Their teacher, Ms. Reena, told them, "Nature is full of wonderful surprises. We must take care of it."

After walking for some time, the students sat under a big banyan tree. Ms. Reena asked them to draw anything they observed in the park. Ravi drew a butterfly and a bird sitting on a branch. At the end of the walk, everyone felt happy and refreshed. Ravi decided he would visit the park more often and help keep it clean.
