Subject-English (CB)	<b>The Indomitable Sudha Murty</b>

Note-Students will do this exercise in the notebook.

### **A. Answer these question.**

1. Why had Sudha Murty not thought of taking up a job in India?

**Ans- Sudha Murty had not thought of taking up jobs in India because she was looking forward to going abroad to complete a doctorate in Computer Science. She had been offered scholarships from universities in the US.**

2. What did Murty spot one day on her way to her hostel at the IISc?

**Ans- Murthy spotted an advertisement on the notice board. It was a job requirement notice from the automobile company, Telco.**

3. Write the content of her letter in your own words.

**Ans-Tatas have always been leaders. They started the infrastructure industries in India, such as iron and steel, textiles and locomotives. They have always shown interest in higher education in India and established the prestigious Indian Institute of Science. I have had the good fortune to study there. But I am surprised that a prestigious company like Telco is discriminating on the basis of gender.**

4.What was the elderly gentleman's reason for not allowing women to apply?

**Ans- The reason that he gave was that they had never employed any ladies on the shop floor. He said that their company was not a co-ed college; it was a factory. He appreciated her bright academic record but said that people like her should work in research laboratories.**

5.How did Murty respond?

**Ans-Murty said that the company must start somewhere to give opportunities to women otherwise no woman would ever be allowed to work in their factories.**

6.Why did Murty think that JRD Tata was a great man?

**Ans- Murty thought that JRD was a great man because, despite being a very busy person, he valued one letter written by a young girl seeking justice.**
