

# Summer Worksheet

Class 1

**This Booklet belongs to**

---

The page is framed by a decorative border of various sea life including coral, shells, and fish. The text is centered in a blue, cursive font.

*Dear parents,*

*The main objective of giving these integrated activities is to help your child explore their basic skills and high level thinking .*

*It also focuses on making connections and allowing them to engage in relevant meaningful activities that can be connected to real life. It provides a deeper understanding of the content and encourage active participation. Our learners will enhance their academic development and personal growth with the help of these enjoyable activities.*

*Thanks*

### Visit to the zoo

I recently went on a visit to the zoo, and it was so much fun! I saw all sorts of amazing animals, including lions, giraffes, and monkeys. My favorite part was seeing the elephants, because they were so big and majestic. I also got to see a baby elephant, and it was so cute and playful. I also saw some flamingos, and they were so colorful and graceful. The zoo was a great place to learn about all the different animals and see them up close. I can't wait to go back and see even more amazing creatures.

**Q1. Where did the author visit?**

.....

**Q2. What did the author see there?**

.....

**Q3. What was the author's favorite part?**

.....

**Q4. What was the zoo a great place for?**

.....

**Q5. Why does the author want to go back to the zoo?**

.....

If all water vapour fell as water it will cover the globe with an inch of water .
